Technical Analysis

09 September 2009
EUR/USD

Comment: Bullish breakout, look for some consolidation but be aware that troubled areas were broken.

4Hr. Candlestick Chart

Comment: Bullish

Trends	
Major Trend (W)	mixed
Median Trend (D)	bullish
Minor Trend (4Hr)	bullish

Conclusion: The main trend is mixed (Weekly, Daily and 4Hr). Intraday traders pay attention to price consolidating more prior to Frankfurt and UK deciding what to do next. Watch for 1.4520 to be broken for continuation. Move your stops to take advantage of trend, attempt to let trade run once Ichi gives strong signal.
