

Dear Forex Trader:

Have you ever faced the following problem:

Have you ever met the situation where you find yourself unable to place an order because the prices were moving too quickly?

Have you ever faced constant requotes from your broker, thus watching the best opportunity to enter a trade disappear before your eyes?

Have you ever seen the following happen when you are trying to enter a trade?

Have you ever missed the best opportunity to trade breakouts, news etc due to variable spreads and price requotes?

Starfish FX can solve the above problems!

Starfish FX has NO requotes, giving traders the best efficiency and confidence! Starfish FX offers Straight-Through Processing (STP), allowing traders to make more accurate and efficient trades, thus avoiding unnecessary losses and missing of valuable opportunities!

Starfish FX platform offers fixed spread, allowing our customers to trade more confidently and assuredly, and will not wipe out stop-losses by opening up the price spreads.

Starfish FX is managed by Starfish Management Group LLC, a member of the National Futures Association (NFA ID 0333743) since 2003. Starfish FX upholds the highest standards, business practices and is subject to strict financial requirements and reporting.

Till now, our **No Requote Policy** has satisfied customers worldwide and has earned us a credible reputation. Why don't you try it out for yourself?
