

2/6 Report

Wednesday, February 06, 2013

1:13 PM

Summary:

of trades: 6

of be: 3

winners: 2 (but they were small, should really be 1)

losses: 1

Net gain: 0 %

Synopsis:

I'm doing something really wrong if I get so many BE trades. Its like im letting my losses run (i.e. hit sl) while suffocating my winning trades!
