

16. 09. 1992 : UK crashes out of ERM, George Soros made over US\$1billion profit

That day, Uranus opposite GBP's Pluto, and Sun and Jupiter opposite GBP's Mercury.
It means Strong Sell signal.

And now, there are another similar signals in AUD

Uranus opposite AUD's Uranus and Pluto and there is one more sell signal in AUD,
Saturn opposite AUD's Saturn and conjunct AUD's Pluto and Uranus.

I don't know exactly what happen to AUD, but I know, the signal of AUD is Still Strong Sell.
