

This thread could well be ,,,, one of the most the most CONTROVERSIAL threads on FF ,,,, Because it is AGAINST all known LOGICS and RULES that are taught out there by many IGNORANT and UN informed Educators .

I have thought about this thread for a long time ,,,, and ALL of the trader friends around me do NOT want me to start this thread ,,,, BECAUSE they feel it will ONLY bring me a headache ,,,, BUT ,,,, I DO CARE ,, and I LOVE HELPING ,, Besides ,, i often feel i would like to release alot my thoughts ,, as i am continuously working at the game ,, and more importantly ,, MYSELF ,,,,,

Being a full time intra day trader ,,, tends to have one sitting at the charts for few hours a day ,,,, something i have a PASSION for ,,,,,
 Spending time at the charts can be a lonely game ,,,, BUT an ENJOYABLE time FOR ME ,,,, when one can sit back and listen to some relaxing music ,,,, waiting for the market to present us with what i call "" SILVER PLATTER "" setups .
 No they do NOT come every swing ,,,, because i trade at the extremes of the price extensions ,,, and why do i do that ???
 Because I would prefer to trade when the entries have a probability success of well over 95%
 ,,,,,,,,,
 My trading is based on PRICE action correlated with the TMA tool (EXTREME TMA)

WITH THAT SAID
 Let me put forward what to expect from myself
 == This thread is NOT done to enslave myself to this thread,,, OR,,, anyone out there,,,,,
 == I will post things for the benefit of ANYONE out there who is PASSIONATE,,,,,SERIOUS,,,,,
 and HUNGRY enough to want to MASTER this game called trading,,,,,
 == NO,,,,, i will NOT be monitoring questions,,, so IF i do NOT reply to any question,, does
 NOT mean i am ignoring anyone,,,,,
 == This thread is NOT for LAZY traders,,,,, SO,,,
 == I WILL BE extending ALL of my THOUGHTS,,, VIEWS,,,,, BELIEFS about this game,,, BUT
 A WARNING to ALL,,,,, THEY WILL BE AGAINST EVERYTHING THAT IS TAUGHT OUT THERE !!
 !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
 == NO,, NO,,,NO,,,, CRITICISM IS NOT WELCOME,, at any level or in any form or shape,,,,,
 and WILL BE IGNORED,,,,, BECAUSE,,,
 I do NOT need the approval of anyone out there,,,,, and IF you do NOT agree with anything
 ,,,, PLEASE,,,,, MOVE ON,,,,,and go and waste your time somewhere else

i will NOT be posting DETAILS of my THEORIES or STRATEGIES ,,,, as i do NOT talk about it publically ,,,,,
BUT ,,,, for those who are serious ,,,, there will be alot of valuable HINTS for anyone to learn many tings ,,, IF THEY ARE PREPARED TO DO THE WORK ,,,,, NO SPOON FEEDING ! ! ! !
I will keep the introduction nice and short for the benefit of all ,,,,
At times i will forced to post extended inputs for the benefit of traders ,,, trying to explain things as clear as i can ,,,,,
I promise all traders out there ,,,,, IF they put in the TIME ,, TIME ,,,, TIME ,,,, to TEST ,, STUDY ,,,, RESEARCH ,,, they WILL BENEFIT greatly ! ! ! !

PLEASE BE COURTEOUS TO ALL ON THIS THREAD BY SIGNING OFF YOUR POST WITH YOUR FIRST NAME IF ,,, YOUR ID IS NOT YOUR NAME ,,,,, TALKING TO BOTS WITH NO NAMES ,,,, IS NOT A NICE FEELING ! ! ! !

Will close of with some of my favourite quotes ,,,,,,,,,,,,,,
 NOTHING HAPPEN OVER NIGHT ,,,,,,EVERYTHING HAPPENS OVER TIME TIME TIME ! ! ! !
 I AM ON ORDINARY PERSON ,,,,,, AND ,,,,,,
 I DO ORDINARY THINGS ,,,,,,,,, just like everyone out there ,,,, because i AM a human being

,,,, BUT ,,,,
I DO THEM ,,, EXTRA ORDINARILY WELL ,,,,,,, BECAUSE ,,,,,
I PAY ATTENTION TO DETAIL !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
Cheers,
George 😎

Intra day trading as an amazing business ,,,,
There are great setups every single day out there ,,,,
Understanding PRICE ACTION ,,, can give a traders some great opportunities for some great
pips to be made ,,,,,
Today was NO exception to that ,,,,, there were very nice setups on the GJ ,,,,,
Here is an example ,,, of what one can achieve with what is most importantly point for myself
,,,, and that is ,,,,
A trade with 98% minimum probability for me is what i always look for ,,,
They were in MY PRESSURE ZONE one the 1 mnt TMA's ,,,,
Great setups that one can NOT resist ,,,,
The entries are on the charts
Cheers

A little introduction ,,,,
My THOUGHTS ,,,, BELIEFS about this game ,,,,,
They are based on MY personal knowledge and experience , and with NO doubt in my mind ,,,,

= The market does NOT do a SUNDAY AFTERNOON STROLL in the park ,,,,,
It is EXTREMELY HIGHLY organised business to the HIGHEST ORDER ,,,,,
It is 100% MANIPULATED ,,, which is a BLESSING ! ! ! !
= The market is GOVERNED by ONE POWER ONLY ,,,,,, not a collective group,, as it is too
precise in its behaviour to be moved a group of large powers ,,, as each party will be looking
after their own interest and will NOT come to agree on the one thing collectively so exact ,,,,
That is how i feel its action

The thing that I do NOT believe in ,, and they do NOT exist in this game ,,, as they are ONLY a
MYTH in trader's minds
= SUPPORT and RESISTANCE
= SUPPLY and DEMAND
= BULLS and BEARS
= NEWS IS ,,, can be used to ABUSE

The market is NEVER ,,,,,
STRONG or WEAK .
BULLISH or BEARISH ,,,, as it is FABRICATED to suit THEIR GOAL.

My trading is done with NO standard indicators on the MT4 Platform as they are NOT
consistent and accurate enough in my humble opinion , and to MY standards ,,,,,
Consistency in my standards MUST be OVER 95% ,,,,, and it is 100% ACHIEVABLE ! ! ! ! !
Cheers,
George

The BASE of MY trading is TARGETS <<<< TARGETS ,,, TARGETS ,,,,,,
BUT ,,,,,
Would like to extend the TMA tool for traders ,,,,
This TMA does NOT REPAINT ,,,,,
One of the settings i recommend 60 with 120 ,,, BUT as for the multiplier ,,,, each trader can
do their OWN study and testing and see which numbers would work best as for the pair's
pressure it moves with ,,,,
I FULLY suggest that each trader SHOULD EXPERIMENT with them ,,,
Create ZONES with Multiple settings ,,,,, and study the behaviour of each pair u want to trade
My fellow trader Al ,, from the EXTREME TMA thread ,,, suggests 2.5 multiplier ,,, BUT on the
LOWER time frames like the 1 minute ,,, i found it very ineffective
Suggestions ,,,,, start with 5 ,,, and go higher ,,,,
The NON repainting TMA is great for using it on the strategy tester ,,,,,
set the tester up with your pair ,,,, run it complete for the period chosen ,,,,, THEN when it
has run the period at DEFAULT settings ,,, load the template then ,,,,,,
Go back in ur own time and study price action against the TMA setting u have created ,,,
because it does NOT re paint ,,, so u will see exactly the reaction of price at the TMA zones .
I will keep adding on for all
Cheers,
George

Howdy fellow traders ,,,,,
 Sorry ,,, BUT I PROMISE ,,, I WILL KEEP ADDING AS SOON AS I CAN ,,,,,
 Many GOLD NUGGETS to come IF u r prepared to do the work ! ! ! !
 Here is how the GOLD market has Panned out on an Intra day Trading level so far today in reaction to the SETUP i am trying to share with u all ,,,,, BE CREATIVE please ! ! ! !
 If this is NOT perfection ,,, i do NOT know what is ,,,
 BUT ,,, after 20 years in the game ,,,, and with over 35,000 hours of screen time ,,,, that is the LEVEL one SHOULD expect to get to with the dedicated and proper work ,,,,,
 i do apply many self created PRICE FILTERS ,,,,
 They are of EXTREME IMPORTANCE ,,, which i WILL in time explain how to apply them ,,,,
 I do NOT use any USELESS indicators such as the MACD's ,, Stochastics ,,, ect ect ,,,, THEY ARE NOT NEEDED as they are NOT consistent enough to MY standards ,,,,, and will ONLY create CONFLICTING signals in ur mind ,,,,,
 A DEEP and COMPREHENSIVE UNDERSTANDING of PRICE ACTIONS is the KEY to success ,,,,
 SO this chart will give u guys an IDEA of what i mean by CREATIVE ,,, and INNOVATIVE ! ! ! !
 Although the TMA settings on here is NOT what I PERSONALLY use ,, with all due respect to all ,,,, because i trade in baskets ,,, and my TMA;s are created for multiple basket entries at different levels ,,,,, and i do NOT share them Publicly ,,, IM SORRY
 Hope this WILL START to open the HEARTS ,,, MINDS ,,, and EYES of the SERIOUS Traders .
 Cheers,
 George

Would like to extend my thanks and appreciation for the kind works Peeps ,,,,,
 I am NOT doing this for any credits ,,,,
 I do it as an appreciation for all the wonderful people out there ,, who are struggling in this game ,,,, and i hear their pain day after day in many threads ,,,,,
 And it is my duty to share what was GIFTED to me by the wonderful LORD we have for FREE
 ,,,,,
 Cheers,
 George

HINT HINT HINT ! ! ! !

Please think this price action behavior through ,,,, as it holds an amazing power as to the way this game is run ,,,,,,

This was on the GU today ,,,,

Yes some will say STOP HUNT ,,,, yes Absolutely ,,,, BUT

I am talking the MULTIPLE tops NOT breaking the first MAIN top before the stop hunt ,,,,

WHY IS THAT ACTION ?????

Hint ,,, notice the 3 swings DOWNWARDS ,,, before the spike up

this is TEXT BOOK stuff guys ! ! ! !

Cheers,

George

Howdy there ,,,,

Please read my comments on that chart ,,,

I have brought to ur attention where to look ,,,,,

Forget the tops ,, PAY ATTENTION to the MECHANICS of how price action behaved ! ! ! ! !

Talking about the GU ,,

I am directing u all to WHERE and WHAT to look for

As i said i at the top ,,, I WILL BE SHARING with u guys many GOLD NUGGETS ,,,,

Give me a chance ,,,, IT WILL COME hahahahaha

Just take it in 1 part at a time ,,, otherwise u guys WILL HAVE an OVERLOAD ,,,,

Remember this favorite saying of mine ,,,,

KNOWLEDGE IS NOT THE POWER ,,,,,

IT IS THE APPLICATION THAT IS POWER ,,,,,,

Hang tight ,,,,

Cheers,

George

PS, ,,,,

It would be nice for people to sign off with their first name atleast ! ! ! !

ONE POWER meaning ,,,

The action of the market is NOT an action of a collective group ,,, as it is too accurate and precise ,,,,,

Collective group of people / Banks will NOT come to an agreement when each is looking after their own interest ,,,,,

It MUST BE a single power that is moving it ,,,, who they are ??? who knows ,,,,, IT IS NOT our Topic ,,, as TRADING is our ONLY Topic ! ! ! !

Cheers,
George

I will answer this one as it is for the benefit of all regarding Automating strategies ,,,,,

I am totally against FULLY automating a system ,,,,, and thats why NO AUTOMATED system works ALL the time and more importantly CONSISTENT ,,, simply because ,,,,

Price is very subjective ,,, and forever changing its backdrop ,,,, consistency will ONLY come together when DISCRETION applied at all times ,,,,, cause any approach MUST be FULLY FLEXIBLE inline with the constant changes .

EA's can NOT adopt that kind of application ,,, hence the lack of consistency in any automated EA .

Cheers,
George

irstly ,,, I would like to bring to the table that ,,, with all of my posts ,,, there is ALWAYS an element of PSYCHOLOGY in my writing ,,,,

It is an extremely important and integral part of trading ,,,,

And since i do NOT talk publicly about my theories ,,,, Psychology is the best way to try to get u guys to see and understand what i am TRYING to bring to the tabe ,,,, so , PLEAAASE ,,,, READ BETWEEN THE LINES ! ! ! !

I can NOT stress enough the importance of being fully DEDICATED and PASSIONATE to your game

To achieve full success ,,,,

One MUST put in quality time that is very productive ,, BUT ,, more importantly ,,, INNOVATIVE ,,,,,,

There are 2 groups of people in this world ,,,,,

1,,,, The 98 to 99% group ,,

2 ,,, The 1 to 2% group ,,,,

The difference ????

The first group are IMITATORS ,,,,

The 2nd group are the INNOVATORS ,,,,

This is why i have always said in my posts ,,,, I TRADE LIKE NO OTHER TRADER ! ! ! !

Again

Please ,,, DO play with the TMA settings ,,, dont be afraid to TRY what would be EXOTIC settings ,,, HINT HINT HINT ,,,,

Let me say this and it is a FACT ,,, and anyone can go to the charts and see exactly what i am talking about ,,,,,

EVERY BAR ,, and EVERY SWING ,, HAS a MATHEMATICAL RELATIONSHIP to the previous BAR / SWING ! ! ! !

Thats why daily ranges have a relationship to the previous days ranges ,,, as the daily range is 1 daily bar on the daily chart ,,,,,

We trade inside a 24 hour cycle

That cycle has 3 sessions in it ,,, HINT HINT HINT

Anyway peeps ,,,,,

Sharing with u wonderful people today's price action setups on Both the GJ and the GU ,,,
which are the 2 pairs I track full time ,,,
On the GJ i got the first low ,, and that was a nice 23 pip bounce with 2 entries ,,, total 46 pips

,,,,
The 2nd setup sadly happened when i was having dinner ,, shame ,, gorgeous setup and the chart will tell the story ,,,

The green boxes will show where MY STRIKE zone is on the 1 mnt TMA's ,,, BUT as i said
The market is NOT governed by the TMA ,,, not by the 1 mnt chart ,,,, BUT when these 2 are correlated with the higher TF targets (15 mnt ,, 1 hour ,, and 4 hour) AND applying certain price filters which as i said in earlier posts ,, i will share some ideas ,,, that's where things fall into place very precisely ,,,,

I have marked MY first pressure buying zone ,,, and when we see the price behaviour at the Frankfurt/London open moving down with NO pressure and very SMALL expansions from one bar to the next ,,, and moving into pressure zones ,, we know it will NOT be a grinding price action and a FALSE move on our hands applied to accumulate buys for an UP PUSH ,,,,

Hope this will help ,,,

Cheers,

George .

P.S

Excuse the extended post ,,, BUT i am TRYING to extend as much as i can for the benefit of all

,,,,

Thaaaaaank u Ricky ,,,
As you know ,,, we are ONLY trying to Genuinely help ,,,
The kind of help that is simply NOT available out there to this standard we will bring to the troops here ,,,
Aaabsolutely sir ,,, THIS IS the REAL DEAL ,,, as there is NO guessing in what traders will find here ,,,
Your Valuable input and the input of all the great people out there will be greatly appreciated
,,,,
Cheers,
George

Thank u all for the kind words and friendship ,,
I am very disappointed the thread has been moved to trading Journal ,,, as this WILL BE a trading PRO ACTIVE thread ,,, discussing strategies and systems alongside price action ,,,
Cheers,
George

Hello There ,,,
Yes George Gave u the numbers ,,, and also george will show u how to load them hahahaha
Welcome to the family ,
Cheers,
George

WHAT IS THE AIM WITH THIS THREAD ??????????

Hello again everyone ,,,
Lets lay down some ground work early in the journey ,,,

IS THIS THREAD TO TEACH PEOPLE HOW TO TRADE ??????????????????????
NO NO NO IT IS NOT ! ! ! !

AM I TRYING TO TEACH PEOPLE PEOPLE HOW TO TRADE ??????????????????????

ABSOLUTELY NOT ! ! ! ! !

I AM NOT AN EDUCATOR ! ! ! ! !

SO , , , ,

Part of the aim here besides expanding on trading approaches and strategies , , ,

AND , , , ,

As this thread is NOT for professional traders , , , BUT , , , rather for the traders who are struggling to find their way , , , , and especially the NEW traders that are coming into this business , , , ,

I am merely bringing to the table , , , and based on my PERSONAL and HUMBLE EXPERIENCE , , , ways to help them , , , ,

HOW to open their eyes to the reality of the game , , , ,

What works and does NOT work , , , ,

How to view the charts , , , and what to look for , , , , ect ect ect

AND , , , EVERYTHING I SAY IS , , , , , , , , , ,

BASED ON N MY OWN OPINION ! ! ! ! ! ! ! ! ! !

At my Young age of almost 64 , , , and the fact that i put in approx. 10 hours a day , , , 5 days a week , , , and almost every morning on Saturdays and Sundays , , , and every evening on Saturdays and Sundays , , , , into this amazing business called trading , , , ,

And as i lead a personal family level life style at home many hours of my days , , , , I tend to spend alot of time at the charts , , , ,

SO , , , I get many moments when i need a change of mood , , , and , , , Time to unwind from my deep study and research i do in this game , , , ,

As much as completely dislike communicating via typing with my fellow traders on Skype , , , i get the opposite feeling when i sit down with some relaxing music and i UNLOAD thoughts into words , , , ,

So i thought it would be a good idea to put this relaxing activity into good use , , , , and share what i like writing about with , , , and for the benefit of all who are interested in listening , , , ,

SO , , ,

EACH TRADER MUST DO THEIR OWN TEACHING ! ! ! ! !

Did anyone teach me what i know ??????

Absolutely NOT , , , , , , , ,

It was all due to the DEDICATION and PASSION that i have for this game , , , spending countless hours RESEARCHING , , , TESTING , , LISTENING to many traders (with of course at my level now , , i can say that 99% was nonsense and ill informed people with all due respect to all 😊) , , , , as it was a very very very FRUSTRATING journey for the past 7 years in the Forex side of the financial market , , ,

PLEASE DO UNDERSTAND , , , ,

You WILL go through much frustrations , , , BUT , , i am hoping i can help many NOT to suffer it as bad as i had to , , , ,

TRADING IS AN EXTREMELY SIMPLE BUSINESS ! ! ! ! ! ! !

And that is a FACT , , , BUT , , , ONLY when u have been shown what the reality of it is , , , which is just like everything in life , , ,

In all of its simplicity , , , , it is an extremely hard game to MASTER on your own , , , , BECAUSE if the simplistic nature of it , , , , as the market will ONLY do 2 things , , , and 2 things only , , , , either go UP , , , or , , , DOWN , , , that is ALL , , , ,

I will leave this post to here as i do NOT want it to become boring to read , , , ,

I will expand on many aspects YET in future posts , , , ,

Cheers,

George

Helloooo peeeeeeeeeps ,,,,,
Lets talk some PRICE ACTION charting ,,,,
Lets create some trading MUSIC ! ! ! !
This is the exciting part
I hope this will be add value to some ,,,,
I have on many occasions put a chart in front of some traders that are trading price action,,
and asked them,,,,,
= Is the chart is able to talk to them ,,,
= Are they able to make anything of the swings ,,,,
= Why we see tops and bottoms stacked up ,,,,,
= Is it ,,,, SUPPORT ????? ,,,, RESISTANCE ????? ,,,, SUPPLY ????? ,,,, DEMAND ?????
= My question is ,,,, DO THEY EXIST ??????
= Are the BULLS ,,,, or ,,,, the BEARS in control at times ?????? DO THEY EXIST ?????
SO ,,,,
Lets take a journey and go the a chart ,,,, and lets see IF there is a reality to all of the above ,,
or ,,,, IS IT JUST A MYTH taught to us all by the IGNORANT and ILL INFORMED educators out
there ,,,, and i say this with all due respect any person on a PERSONAL LEVEL ,,,,, as my
comments are based on a business level ,,,,,
SO her is a NAKED chart ,,,, Please do NOT look at the detailed chart UNTIL ,,,, u study deeply
the naked chart and see IF u can make sense of the price behavior in the large BLUE BOX

NOW ,,,, lets break that chart down ,,,, (it is ONLY MY OWN OPINION)

=The market had run up for 4 days ,,,, then
=Created BOTTOM A
= The next day they started to implement their plan ,,,, by driving HIGHER and come back to
miss BOTTOM A ,,,,
= The Next day ,,,, they did the same thing ,,,, missing BOTTOM A ,,,, AGAIN ,,,,, further
validation of what they want the HERD TO THINK ,,,, WAAAW ,,,, that must be a very strong
SUPPORT ,,,, IS IT ????? lets continue ,,,,,
An to CEMENT that mentality deeper ,,,, they push the market higher again ,,,, creating TOP A
= The next day ,,,, they MISS the previous days top ,,,, TOP A ,,,, Hmmmmmmm ,,,,
interesting ,,,, that top is looking great as a resistance level ,,,, OR ,, is it maybe a SUPPLY
ZONE ???
Well ,,,, guess what ????? that sure was a strong resistance ,,,, the market went even lower the
next day ,,,, to where ???
= they come back to ????? down to that SUPPORT level again ,,,, is it going to hold ???
WAAAAAA ,,,, that is amazing ,,,, that is REAAALLY a strong support ,,,, it is the THIRD DAILY
low ! ! ! !
OR ,,,,
Is it the beginning of confirming WEAKNESS (in the eyes of an informed trader)????? HINT
HINT HINT ,,,,,
= Next day ,,,, the market was run up back to TOP A resistance ,, and sure enough ,,,, price
was rejected ,,,, that is proving to be a strong resistance up there ,,,,,
= The next day ,,,, they run the market into Frankfurt / London open ,,,, and they work the
market up for few hours ,,,, from where ???? OH OH OH ,,,, that support level is amazing ,,,,
this is the 4th attempt and it can NOT break that powerful support ,,,, Maaan ,,,, that is FOUR
TOUCHES now ,,,,
WELL ,,,,,
Now we shall let the picture tell the story of what followed ! ! ! !
NOW ,,,,
Lets sum up the REALITY of what was happening TO THIS POINT ,,,,,

NAKED TRADING
Cheers,

Hahahaha ,,,, well ,,,, IF u r still in nappies ,,,, maybe we will need to spoon feed u some soft food 🤪

The way i am sharing this is really for the benefit of everyone ,,,, because ,, IF i spoon feed traders ,, they will NOT learn ,,,

It is very important a trader needs to be able to THINK ,,,, use their imaginations ,,,

And i like the way u put it ,,,, de code ,,

Rules ?????? Absolutely ,,,, NO LAZY PEOPLE ! ! ! !

This last post i put up was very detailed ,,,, and infact i felt guilty for the length it was BUT ,,, detailed explanations ARE lengthy ,,,

Thank u for ur kind words ,,, and welcome aboard ,,

Hope i can be of a help ,,,,

Cheers,

George

Adding to the previous post ,,,,

Some traders may say ,,,,

Does this happen on all pairs ????

Does it happen on ALL time frames ????

The answer is ,,,, ABSOLUTELY

Sometimes it is applied with a very small variation to the theme ,,,, and within a smaller span of time ,,, BUT ,, never the less ,, with the detailed breakdown of the THEORY and the application of their action ,, I am sure u guys can work through all of the examples i will put on the table ,,,,

Here it is on the GU 1 mnt chart ,,,,

WASH ,, RINSE AND REPEAT ! ! ! !

WASH ,, RINSE ,, and REPEAT ,,,,

I love this one ,,,, on the GU 15 mnt chart ,,,,

Quick swipe down to clean out retail stops ,,,,

I call it ,,,, CASH AND CARRY PIP SHOPPING .

Cheers,

George

Howdy there ,,,,

Well ,, thank u ,,,,

I dont know about the teaching part hahahahah ,,,,

What style of trader are u if i may ask ,,,,

Although i am an intra day trader ,,,,and my entries are taken off the 1 mnt chart ,,, my trading is ALL based on MY TARGET theory ,,,, which is based on the 15 mnt and higher ,,,, I trade the extremes of price action on an intra day swing base ,,with unique setting on the TMA that i have created ,,, which when correlated with Targets ,,,, and applying the price filters i have created ,,,, gives me the ability to take my strike rate consistently to 98% to 99% level very comfortably .

Mr D has sat with e on many occasions ,, and he experienced first hand the power of the theories we have developed ,,,

It is a subject (setting up the TMA) i will be going into detail very soon ,, maybe the next post ,,,

Also i would like to bring to the table a very powerful psychology post for all the newer traders ,,, as the correct mind set and approach are of MOST important,,,

And not to mention the countless intra day trade setups we take every day ,,,,

I did go into a little detail here also for the benefit of all the members who are appreciative of what i am trying to bring to the table ,,,

Cheers,

George

Good morning Eric ,,,,

Yes i just found the message ,,,

Thank u for ur reply .

Trading the 1 minute was something i could NOT do before ,,, BUT ,, once i started using it in CORRELATION with the higher tf's and for a different PURPOSE ,,,, i am having amazing results with it ,,,,

We both know the market is NOT governed by 1 mnt charts ,,, and i refuse to trade in the world of 1 mnt charts ,,,, BUT again and IF i may TRY to explain ,,, for me it is like an INDICATOR rather than a time frame ,,,, maybe this is the best way i can put it ,,,

BUT ,,, where the real power of using the 1 mnt chart for me is when one has the TMA's on it ,,, and with the correct settings ,,, and the higher tf TARGET correlation ,,,, it is simply the most amazing setup one can have for intra day trading ,,, and that is what gives me the ability to take my consistency strike rate to the 98% - 99% ,,,

I am able to achieve 90% consistency very easily COLD trading the TMA on the 1 mnt chart as a stand alone ,,,, BUT ,,,,with the correlation of TARGETS of the higher tf's, more importantly the price action filters i have put together (they are NOT indicators) ,,, I CAN further ELIMINATE 90% of the 10% that was missing ,,,

I WILL BE putting up a post going into FULL DETAIL of how to set a MASTERY LEVEL TMA setup on the charts ,,, the kind of thing i personally use ,,,, and for those who are innovative enough to want to work on it ,,, they WILL achieve what i am able to achieve ,,,

As i said up front ,,, on FF there are alot of LAZY bums ,,, that want a QUICK FIX tablet ,,, and be spoon fed ,,,,

Something they will NOT find on this thread ,,,,

This thread is for SERIOS , DEDICATED traders that truly want to succeed in this game ,,, and it is those guys that i WILL help to what ever level is required ,,, as long as they can prove it to me ,,,,

Cheers,

George

Goooooooood morning to you all ,,, to all the new comers and visitors ,,,,
Every now and then,, I would like to express my THOUGHTS of the moment
,,,,,,

PLEASE ,,,, feel free to express what ever it is you feel is of a benefit to all of
us ! ! ! !

Be it ,,,, whether it is in the form of a picture ,, words ,,, and what ever you
feel comfortable with ,,,,,

Hello to you all ,,,,

I would like to thank the new family members for the kind words ,,,,

Also I will take this opportunity to say the following ,,,,,

THIS THREAD IS NOT MY THREAD ,,,,,,,

IT IS FOR ALL OF YOU DEDICATED TRADERS OUT THERE ,,,
WHO ARE GENUINELY INTERESTED IN JOINING THIS FAMILY
,,, TO WORK TOGETHER ,,,, AND WHO'S AIM IS ,,,,,,
MASTERING THE AMAZING GAME CALLED "" TRADING ""

A very good day to u David ,,,,

Out of courtesy to u ,, i am replying here ,,, Because ,,

I tried to send u a message ,, BUT i could not message u either mmmm ,,, BUT i think it is
because u r a NEW member which means that after a certain time or so many activities they
will open it up for u .

Cheers,

George

Hello Ray ,,,

Absolutely correct ,,, because u r NOT using the settings i am using ,,,,

I made it very clear that the TMA settings i recommended are NOT what i use ! ! ! ! !

And i also said ,,,, each trader MUST do the WORK ,,, TESTING ,,, RESEARCHING which WILL
take countless hours ,,,,

Why am i NOT publicly displaying my settings ?????

I do it for the SAKE OF ALL TRADERS ,,, IF THEY WANT TO LEARN THE GAME ,,,,

Acquiring knowledge does NOT ONLY come from reading books ,,,, it often comes as an
outcome of hard , extensive and dedicated work ,,, something i have done plenty of ,,,, and
NO TRADER is better than me ,,, SO ,,,

IF it was good enough for me to do the work ,,, it is good enough for each trader to do the
same ,,,,,

WHY DO I SAY THAT

??
????????????????????????????

BECAUSE ,,,,

Doing things by YOUR OWN HAND ,, and USING YOUR OWN BRAINS ,,,,, HAS A MAGICAL
POWER TO IT ! ! ! ! !

GTE IT ?????

Hope this will help some as to WHY I AM THE WAY I AM ! ! ! ! !

I LEAD BY EXAMPLE ! ! ! ! !

Howdy Humphrey ,,,
Thank u for ur input with ur charts ,,,
Sorry i do NOT understand them as u have NOT brought forward any explanations as to how u
r trading and what ur trading approach is based on ,,,,,
I do NOT know anyone who trades line charts ,,, and u know i do NOT use them myself ,,
Cheers,
George

Hello all ,,,
I would like to leave u with something ,,,,,
FOOD FOR THOUGHT ! ! ! !
This has an extreme relevance to succeeding in the trading game ,,,
There is alot of power to this amazing quote by the one and only ,, Bruce Lee ,,, a MASTER at
his craft ! ! ! !

I FEAR NOT A MAN WHO PRACTICED 10,000 KICKS 1 TIME
,,,,,
BUT ,,,
i FEAR A MAN THAT HAS PRACTICED 1 KICK 10,000 TIMES ! !
! ! ! !

Hello again Ray ,,,
Just for the record ,,, and also as one of my MAIN points is as i said it up front on this thread
,,,, I WILL NOT BE POSTING DETAILS ,,,
Here is an example i have previously posted on FF how i trade and the consistency of what i
can achieve ,,,,,
Please go to ur charts and study it if u wish ,,,
They were trades EXECUTED on my platform ,,,, as one can NOT make up something like that
,,,,,
Hope this will give u an idea of can be achieved IF u follow and be PATIENT and wait for what i
to come YET ,,,,,
As i did mention to another person ,,,
I WILL BE GOING INTO A FULL DETAILS on how to setup TMA correctly ,,, and all the other
factors that need to be taken into count to create TRADING MUSIC ,,, day after day ! ! ! !
BE PATIENT MY FRIEND ,,,, it is ALLLLLLLLLLLLLLLLLLLLLL coming very soon .
Cheers,
George

Would like to bring to the table ,,,, a particular price action one should watch out for ,,,,,
 We saw 2 swings down so far on the GJ ,,,,
 The bar marked with the X above it and in the box is the Frankfurt/ London open ,,,,,
 As you can see there was NO retracement from the run down ,,, so that was a high probability
 sign of price continuing down and even a grinder ,,,, BUT of course it is a grinder as it is clear
 from the price behavior ,,,,,
 That was one of my price filters at work ,,,
 Hope this will help ,,,,
 ALWAYS watch the 9AM bar Frankfurt time please on the GJ ,,,,,
 Cheers,
 George

Hers is the PERFECT example of MY GRINDING DAYS Filter
 The market had ONLY done 23 pips for the morning ,,,,,
 Remembering the GJ has an average daily range of 130 pips over 12 months,,,,,
 SO ,,,
 With only 23 pip on the table ,,, would it be common sense that we SHOULD expect an
 expansion in the range ?????
 The answer is ,,, Absolutely ,,,
 Here u see the price pushing down to the KEY BAR i talked about ,,,,marked with the X in the
 BOX
 What do i look for ?????
 I would like to see a retracement of the run down of 50% of greater ,,,,,

Something we did NOT get on this day ,, did we ?????

When u see this kind of price action ,,, expect this to happen 90% of the time ,,,, A GRINDER !
!!!

We shall let the chart do the talking peeps ,,,

Cheers,

George

Thank u so much Mr A for ur truthful words ,,,,

We do NOT need luck ,,,, BECAUSE ,,,

I am NOT looking for any credits ,,, or any parring on the back ,,,,,

I am just a genuine guy ,, which many are NOT used to finding in forums ,, with real knowledge about what i talk about ,,,, that is passionate to want to help some of the STRUGGLING traders i hear in the forum ,,,, IF they are prepared to listen and appreciate the GEMS i can share with them ,,,, stuff i have accumulated over my 20 yr involvement in financial markets ,,,,

Appreciate it Sir ,,,

Cheers,

George

This is a 2 entry basket take at the London price action ,,,,

They are marked with the GREEN boxes ,,,,

Why i tend to post alot of PSYCHOLOGY stuff ????

It is NOT that we have a mentally sick family here hahahahahahaha ,, (Please do NOT take it the wrong way people)

I am just making a Joke ,,,,

The reason i do that is ,,,,

It is extremely important to view the maret with the right approach ,,, thinking ,, and whats that ????

Well ,,,

The way i trade is like this ,,,,

The way the market moves ,,,, and the behavior in price action is created to fool the majority

,,, AND ,,,

If we are NOT FULLY SURE where to take trades ,,,, why take them ?????

SO ,,,,

My approach is to NOT be fooled to jump in ,,, right in the middle of the price wash ,,, and

NOT enter where THEY want us to jump in ,,,, SO ,,,

The system i have created ,,, WHICH I WILL BE showing u all how to master very very soon ,,, to create my OWN play ground and wait till THEY get into MY KILL zone ,,,,, AND more

Please Wait until the detailed work starts rolling ,,, it is all being prepared in my mind as to the order i need to put it together ,,,, THEN ,,,, GO AND DO THE RESEARCH ,,,, THEN ,,,, evaluate what i have to bring to the table ! ! !

YES ,,,,, Many may NOT find this anything new ,,,,,

BUT ,,, BUT ,,,,,

DID I NOT say it from the beginning ?????? ,,,, that ,,,,,

This thread is NOT for the professionals of u that are out there ???????

I SAID ,,,,,

it is for those who are STRUGGLING and i hear their cries on many threads ,,,, and for those who are new to the game ,,

=====

In this world of over 7 BILLION people ,,,

WE ARE ALL ONE ,,,, IN THE SPIRIT OF THE CREATOR ,,,,

WE ARE ALL BROTHERS AND SISTERS ,,,,

WE ALL COMPLETE ONE ANOTHER ,,, BECAUSE ,,,

WE ALL NEED ONE ANOTHER ,,,, BECAUSE ,,

WE ALL NEED TO ,,,, LEAN ,,,, ON ONE ANOTHER ,,,, IN ORDER TO GROW ! ! ! ! ! .

Cheers,

George

Simply because ,,,,

I AM AN INTRA DAY TRADER ,,, as i made it very clear from the beginning ! ! ! !

Hope this helps ur intrigue ! ! ! !

Cheers,

George

MY CAPS EXPLAINED

As i am totally aware that in chats Caps used is classified as shouting ,,,,,,

But let me assure u all ,,,, that is NOT what it is used for ,,,,,

So please let me explain the reason why my caps are there ,,,,,

This is an IMPORTANT POST IN PREPARATION for the serious work that is to follow for some traders ,,,,

Because it is important to understand how to follow what i am trying to put across to everyone ,,,,

As my close circle of trader friends know (that join me on a daily base ,,, whom friendships i value greatly) ,, as we trade the market live ,, and and with lots of fun to go with it of course ,,,, when i speak ,, i tend to speak with a very deep passion about trading and also with alot of voice dynamics ,,, and i do put alot of emphasis in my voice on certain points ,,,,,,

The same thing applies with my writing ! ! ! !

There are very important points and also sentences that i want traders to pay special attention to ,,, and THAT IS ,, when i use caps ,,,,,

PLEASE ,,,, PLEASE ,,,,,, DO read my post as IF i am speaking directly to each and everyone of you on a one on one basis in real life ,,, cause that is EXACTLY the mental state i am in when I

am writing my posts ! ! !

Cheers
George

CONTENTS ARE NOW BEING PUT TOGETHER FOR THE NEXT
POST TO COME ,,,,,

"""" MY TARGET THEORIES """"

=====

A subject I get many questions on ,,,,
Which also happens to be,,,,, the BASIS TO MY TRADING approach ,,,,

What are we going to talk about ?????

Areas where market have a high probability of turning ,,, and more importantly ,,, ""
WHY "" ! ! ! !

A COMPLETE breakdown of MARKET STRUCTURE ,,,

The very FRACTAL nature of price structure explained in detail ,, and its relation to
how TRENDS come to be trends ,,,,

Very very deep PRICE ACTION BREAK DOWN ,,, AT THE CORE ! ! ! !

Howdy all ,,,

Just food for thought ,,,,,

The GU has an average daily range of 110 pips over 12 months ,,,,,

Having 20 pips on the table leading into the European session ! ! ! !

Get ready guys ,,,, i am smelling some great trading opportunities ,,, as an expansion is on
the books ,,,,,

Lets hope they will give us THEIR best shot ,,, WELCOME TO MY WORLD ! ! ! !

Cheers,
George

Just for those who like scalping ,,,
 A nice high probability setup on the GJ ,,,
 As i have been asked for some examples of reading price action ,,, well ,,, here it is LIVE ,,,,
 here is how i break it down,,,
 The Frankfurt bar opens and pushes down aggressively 16 pips in 4 mnts ,,,, with 15 mnts to
 go for the bar to finish
 So what so important about that ,,,,
 Well ,, IF it was to continue its move pressure based on that ,,, it would mean we will see
 approx 60 to 65 pip / 15 mnt bar ,,,
 Will we see often a 64 pip 15 mnt bar ??????
 Food for thought ,,,
 Hope it helps ,,
 Cheers,
 George

[quote=FXState;11938111]Great Job George. Thanks for sharing your knowledge. The three
 sessions with pips counter.... {image}[/quote]
 Hello Mr FX,,,
 Ur name would have been nice to know ,,,, i promise u , i will NOT bite you !!! hahahahaha
 U r more then welcome ,,,
 I do NOT know what u r trying to show me ,,,hence i am UN ABLE to comment ,,,
 Cheers,
 George

Hello again Peeps ,,,,,

I would like to show u a very nice setup this afternoon on the GJ ,,,,,

Some CRITICS (IF i may use the terminology) requested some LIVE TRADING EXAMPLES ! ! !

! NOT that i am under any OBLIGATION to do so ,,,, BECAUSE ,,, I KNOW WHAT MY

CAPABILITIES ARE ! ! ! !

what i have here is the 1 mnt chart ,,,, as they brought the market into my TMA strike zone (not the one showing on the charts ,,, as i have made it clear ,, they are NOT the settings i use) ,,,, lining up with the London open ,,, a perfect correlation ! ! ! ! !

The Entry was NOT the important part ,,,,,

Yes the entry is 3.7 pips off the low ,,,, NOT good enough ,,, BUT i purposely left that trade there ,,, when i normally let me market take me out and get the BEST SEAT IN THE HOUSE right at the low ,,, as they did present me with that opportunity ,,, BUT ,, CAUSE i left for demonstration purposes for the benefit of my great trader friends sitting LIVE with me calling the move and what i was looking for ,,,

The point i want to bring to ur attention is the MOST IMPORTANT PART OF THE CALL ,,,

What was it ???? one should be asking ! ! ! !

Look at the GREEN box AT THE TOPS ,,, on the 15 mnt chart ,,,,

That WAS a setup that was PREPARED before THEIR move DOWN ,,,, AND it is the REAL TARGET for me ! ! ! !

AND ,, MY BUY WAS taken at the BOTTOM ,,,, where a target was to BE taken out for loading purposes ,,,,,

What was the significance of that target on the TOPS ?????

Well ,,,,,

The days HIGH had NO NECK on it ,,, BUT more importantly ,,, they had CREATED the MAGICAL signal for MY understanding ,,,,,

What was that ????

they went to create my favourite saying ,,,,, HERDS RESISTANCE MENTALITY ! ! ! ! !

I will let u all work out the rest ,,,

Something I WILL BE going into FULL DEPTH when i post on TARGET THEORIES ,,,, and of course the TMA post after that ,,,,

Hope this will demonstrate the POWER OF proper understanding of PRICE ACTION ,,,, as this example has been posted on few occasions so far ,,,,

I also ask u to look at the GU 15 mnt chart ,,, and see if the picture looks EXACTLY the same on that ! ! ! !

Cheers,

George

Firstly ,,, allow me to thank u for ur NICELY INTENDED words ,,,,,
 As for the other comments ,,,
 I do NOT normally reply to any of these kind of comments ,,,, BUT ,,,
 For the benefit of this whole family ,,, i want THEM to look at ME the way i look at MYSELF !!!
 !
 Lets have a look at a person who ever u r ,,,, as u have NOT extended the courtesy of even
 letting me know ur name ,,,,, have u got anything to hide ????
 I have been a member SINCE 2013 ,,,
 PLEASE ,,,, GO and DO ur research ,,,, and tell YOURSELF ,, as i do NOT need it for MYSELF ,,,
 as to IF there was in any form or shape any UN GENUINE posts OR comments i have ever
 made on this thread that relates to WHAT EVER IT IS THAT IS BREWING IN YOUR HEAD
 ???
 Forgive me for my words ,, as YOUR words to me are insinuating something ! ! ! ! !
 Again ,,, thank u for your kind words ,,,,
 Cheers,
 George

[quote=moodybot;11938572]Thank you George. I followed the market down with you on
 Skype, not something that I would usually do and I thank you for your invitation.
 Oh oh oh ,,,, Thaaaank u Mr A
 You did NOT have to do that ,,, as all this family members know i am NOT after credits,,, BUT
 everything IS for the benefit of all ,,,,,
 It is always a pleasure to have nice people along for the PARTY ,,,,
 It was an amazing example of what i keep repeating time and time already.
 Cheers,
 George

I am appreciative of the opinions and Beautiful comments extended ,,,,,
 It is very nice to have my fellow veterans in this game dropping in ,,,,,
 BIRDS OF FEATHER ,,, FLOCK TOGETHER ! ! ! ! !
 Cheers ,
 George

WAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA
AAAAAAAAAW

=====

=====

I AM TOTALLY SPEECHLESS ,,,, AND FEELING VERY EMOTIONAL GUYS ! ! ! !
!

WHO AM I TO DESERVE ALLLLLL THIS ??????????????????????

Thank you all for extending the Privilege to be able to share the JOY and
APPRECIATION that are expressed in you wonderful welcoming words to me walking
into OUR FAMILY HOME for another day ,,,,

I remind you again ,,,,

I AM ONLY AN ORDINARY PERSON ,,,, Just like each one of you wonderful
people ,, AND

I DO ONLY ORDINARY THINGS ,,,, Just like each one of you ,,,, EXCEPT ,,,,

I DO THEM EXTRA ORDINARILY WELL ! ! ! ! WHY ?????

BECAUSE I PAY ATTENTION THE FINE DETAIL ! ! ! ! !

What DETAIL am i talking about ??????????

Let me put it this way ,,,,

When u cook a meal ,,,, for 4 people ,,,, AND ,,,,

It is the mere 3 to 4 TEA SPOONS (which equates to approx .3 of 1% of the VOLUME in that
pot) worth of ,, SALT ,, PEPPER ,, SPICE ,, GARLIC ECT. ECT. that IS ADDED to that meal ,,
that WILL differentiate it BETWEEN ,, BEING ,,

EDIBLE ,,,,,, AND ,,,,,, NON EDIBLE ! ! ! ! !

AGAIN ,,,,,,

Thank u ALL,,,

Cheers,

George

Howdy all ,,

I am a little late with this ,,,,

Just what i am looking at ,,,,

A HERD MENTALITY VALIDATION had been CONFIRMED with the lows created at the GREEN
BOX,,,

Yes i know what some will say ,, BUT ,,

It is an area of interest ! ! ! !

WILL THEY BREAK IT ?????

Well ,, do NOT be surprised IF THEY DO NOT ,,,,, why ???

It is ALLLLLL about PSYCHOLOGY ! ! ! !

A range of 45 pips on the table in a 130 pips range day ! ! ! ! ! WAIT FOR EXPANSION ,,,,,

The trading has been happening INSIDE THE RANGE ! ! !

WHY is that happening ????

To create confusion amongst traders and trying to entice as many traders in as possible ,,,,,,

The GU is also in the same boat ,,,,

Dont worry with the TARGET POST ,, all of this will be laid out 10000000% clear for u all ,,,,

Cheers,

George

P.S.

OR IS IT A DRIVE THROUGH PIP SHOPPING UP MOVE ?????

THE GU AS ANTICIPATED

THAT CALL WAS MADE LIVE WHEN THE MARKET WAS AT THE BOTTOM ! ! ! !
!!

FAMILY MEMBERS ,,,,,

Please ,,,,,

THIS IS WHAT GEORGE IS ALLLLLL ABOUT ! ! ! ! !

=====

IIIIII REST MYYYYY CASE ,,,,, Ladies and Gentlemen ! ! ! ! !

=====

Cheers,,

George

That was NOT a BAD WILD guess that ,,,

You were told to ,,,,,,,,,,

NOT BE SURPRISED IF THEY DO NOT TAKE OUT THE LOWS ! ! ! ! 🤔🤔🤔

Cheers,

George

Dear family members ,,,,,,

Calling a market WHILE THE MOVE IS ON ITS WAY ,,,,,, IS ONE THING ,,,,,, BUT ,,,,,, CALLING THE MARKET WHILE PRICE ACTION IS IN A CONTRARY POSITION ,, and BEHAVIOR TO THE CALL ,,,,, IS THE REAL POWER ! ! ! !

=====

I often said i am a counter trend trader ,,, as the nature of trading the TMA's IS counter trend trading ,,,,,,

BUT

Please ,,, ASK YOURSELVES THIS QUESTION ! ! ! !

BUYING THE BOTTOM ,,,, and taking into count where the price is now ,,,,

Am I a COUNTER TREND Trader ????

OR ,,,,,

A TREND TRADER entering at the BEST SEAT IN THE HOUSE ??????????????????????????????

I am ONLY trying to get you ALLLL to live through MY THINKING ,,, AND REAL TRADING PSYCHOLOGY while i am viewing this market in a LIVE FORM SITUATION (FORESIGHT) ,,,, and NOT in a HINDSIGHT MANNER ! ! ! !

Cheers,

George

[quote=earloy63;11942746]Hi George, Great thread, this is a thinking Trader's thread. if you have the **POWER of Equity** you can get a **DISCOUNT** or **PREMIUM** price for the goods being bought. The Big Boys who can move the market in forex ALWAYS, ALWAYS, get the BEST PRICE for their Entries in the market. In case of a **SELL ENTRY it is a PREMIUM PRICE** and in case of a **BUY ENTRY it is a DISCOUNT PRICE**. The key then is to know what a Premium or Discount Price level looks

Hellooooo Roy,,,
Thank u for ur input ,,,,
Well ,,,,,,
Firstly ,,, thank you and everyone else for all the kind words ,,,,

You are absolutely correct ,,, This thread IS for THINKING TRADERS ! ! ! !

I have highlighted certain pointers above ,,,,
You have your own understanding of the MARKET and PRICE ACTION ,,,,
I personally have a completely different take on the whole thing ,,,,, BUT ,,, that does NOT mean you r wrong ,,,, I am ONLY clarifying the point ,,,,, we are all individuals and ,,, **THE INDIVIDUAL OPINIONS NEED TO BE RESPECTED ,,, UNCONDITIONALLY ! ! !**

DISCOUNT ,,, and PREMIUM prices have NO base in this game ,,,,
The so called BIG BOYS are ONLY ,,, BIGGER TARGETS than all of us retail traders ,,,,,
And why do i say that ?????
Because ,,,,
The Financial markets ,,, moves in such a high level of PRECISION manner ,,, that it can NOT be moved by a collective group ,,,(the so called the BIG BOYS) ,,,, BECAUSE ,,,,
As each entity being concerned about its OWN interest ,(which is like 2 men marrying one woman hahahahaa 🤪) ,,, they can NEVER reach an agreement on the same thing ,, in this case ,,,, The precision of turning prices at tops and bottoms in relation to the market ! ! ! !
IN MY humble opinion ,,, and it is how i base my analysis and decision/ understanding basis ,,,,The price movement in this game ,,, is governed with ONE CENTRAL POINT ,,, NOT a collective different entities ! ! ! ! WHO EVER IT MIGHT BE ,,, which is totally irrelevant to what we are discussing here ,,, as is also of NO interest to me anyway ,,, as we are ONLY traders ,,, TRYING to MANEUVER this amazing JUNGLE called the MARKET ! ! !

Also ,,, it is a know fact that ALL banks trade with either large stops ,, OR ,,, some kind of hedging for their positions ,,,, and that is ,,,,
ANY TRADE THAT GOES INTO THE MARKET PLACE ,,, AND CARRIES WITH IT ,,,, SOME FORM OF ,,,, STOP LOSS or HEDGING IN ANY FORM OR SHAPE ,,,,, BELONGS to an entity that holds NO POWER in this game ,,,, AND ,,,
This is how i base my theory about the so called BIG BOYS ,,, and ,,, IF they have any control of the market ,,,,, BECAUSE ,, IF THEY DID ,,, there will be NO need for trade protection ! ! ! !
!

ALL of the above is based on MY PERSONAL opinion ONLY ! ! ! !

P.S.

Family members ,,,,

PLEASE CONTINUE TO EXPRESS YOUR OPINIONS ON ANY SUBJECT ,,,, (RESPECTFULLY) ! ! !

Cheers ,
George

AAAAAAAAAAAAABSOLUTELY SIR ,,,,,

There is nothing nicer than WISDOM spoken ! ! ! !

We MAY NOT be here for ever ,,,, and IF we spoon feed traders ,,,,
HOW WILL THEY BE ABLE TO CONTINUE THEIR JOURNEY ,,, IF they have NOT learnt to walk SELF SUPPORTED ??????

Cheers,
George

Thank u Amos ,,,
Great thinking on the LOWS where u have marked ,,,, YES CORRECT !!!
As for the MIDDLE target ,,,, that was ONLY just a STANDARD SWING TOP ,,,, KEEP WORKING ON IT ,,,,
Cheers,
George

MY TARGET TRADING EXPLAINED

=====

I would like to NOW clarify,,, what was meant when i made the comment (((CONTENTS ARE BEING PREPARED FOR THE NEXT POST ,,,, TARGET TRADING THEORIES))) in a previous post ,,,, Advising you that the next post will be the TARGET TRADING Theories ,,,,

WHAT CONTENT WOULD I NEED TO PREPARE ??????

I am NOT an educator ,,,,
I have NO content WRITTEN ,,,,so there is NO contents to be prepared ! ! ! ! !

SO ,,,

WHAT DID I NEED TO PREPARE ????
In reality what was needed to be done is ,,,,,

GEORGE NEEDED TO BE PREPARED MENTALLY AND PSYCHOLOGICALLY IN ORDER TO BE ,,,
IN THE CLEAR ,, AND,, FOCUSED ,,, TO BE ABLE TO SIT DOWN AND LAY IT ALL BEFORE YOU
IN FULL DETAILS ! ! ! !

Please understand ,,,,
When ever i write something that requires DETAILED explanation ,,, I tend to enter into a
certain state of being ,,, because ,,,, when i write i do NOT TRY TO THINK about the subject
,,,,,
Rather ,,,,
I FEEL what i am writing about ... I live the experience of the subject to its deepest meanings
,,, and more importantly ,,,, i do NOT just write it for the point ,,,, I write it AS IF I AM
SITTING WITH EACH AND EVERYONE of you wonderful people FACE TO FACE ,,, AND
explaining it in PERSON on a ONE TO ONE LEVEL ! ! ! ! !

This subject is NOT just a deep subject ,,,,,,
IT IS THE FOUNDATION TO EVERY THING I DO IN THIS GAME ! ! ! ! !
SO it will be very detailed and extended subject that will require huge amount of energy ,,,
mentally and otherwise ,,,,

Why am i bringing all those points to the table ?????

It is because ,,

This subject has MANY aspects to it ,,,, there will be jumping around from one point to another point CONSTANTLY ,,, as each aspect of this theory and its application need to be brought into VIEW when it is related to a certain part of the WHOLE PICTURE ,,,,,

My TARGET TRADING THEORY / SYSTEM ,,,, entails A few aspects like ,,,,

PRICE ,,,,,

STRUCTURE ,,,

MULTIPLE TIME FRAMES CORRELATION ,,,,,

TIMING OF THE DAY ,,,

RANGES OF THE DAY ,,, AND AT ANCHOR TIMES OF THE DAY ,,,,

TRENDS ,,,,

THE VERY POWERFUL ,,,, FRACTAL NATURE OF TRENDS FORMATION ,,, AND ORIGIN OF

TRENDS ,, AND WHAT MAKES UP THE WORD "" TRENDS "" "" ,,,,,

and ,,,, LAST BUT NOT LEAST ,,,

PSYCHOLOGY ,,,, the kind of psychology that ,,, I PERSONALLY APPLY ,,,, to the market that allows me the ability to achieve the consistency i have in this game ,,,,

And NOT the COMMONLY spoken about psychology ,,, that every MAN AND HIS DOG only talks about ,,,, "" FEAR AND GREED ""

AS IT HAS no foundation in MY trading WORLD ,,,, (will be fully explained) ,,,,

We shall leave it here for now ,,,,,

BUT ,,,,

I would like to leave each one of you with a couple of pictures to think about ,,, TILL ,,, the next BASE WHEN WE SIT TOGETHER WITH THIS SUBJECT ,,,, and when i WILL EXPLAIN THEIR PURPOSE IN WAT WE ARE TALKING ABOUT ,,,, BECAUSE

The type of of Psychology I structured and apply ,,,, is an INTEGRAL FOUNDATION in MY WHOLE APPROACH ,, and how I apply in this game ,,,,

These pictures have a VERY VERY VERY DEEP ,, AND ,, POWERFUL MEANING ,,, BUT more IMPORTANTLY ,,,, the RELATIONSHIP IT HAS ,, DUE to the way I have PERSONALLY DEVELOPED IT ,,,, WILL IMPACT YOUR TRADING SUCCESS ! ! ! !

This subject is very very dear to my heart in this game ,,, something i PASSIONATELY ENJOY talking about ! ! ! !

Cheers,

George

Thank u PB ,,,,

Your time ,, effort and support you have expressed ,,,, DEEPLY APPRECIATED ! ! ! !

What we r doing here is ONLY for the BENEFIT of those who are ,,, HUNGRY ENOUGH to want to INVEST the TIME into THEMSELVES ! ! ! !

Sadly ,,,

Some people want YOU to go out and search for the GOLD ,,,,

They want YOU to POLISH that GOLD for them ,,,,,

They want YOU to also make the GOLD CHAIN for them ,,,,,

They want YOU to also put that GOLD CHAIN around their neck ,,,,

Having people like you ,,, is an honor ,,, and of a great value to this Family Home ,,,,

Thank you ,,

Cheers,
George

I would like to take this opportunity to extend my thanks to ALLL of the active supporters of this project ,,,,,
And in particular ,,, and with ALL due respect to all of course ,,,, the VETERANS in the trading arena (Like Myself hahahaha) that we have giving us the pleasure of their company and support on a continuous and more importantly CARING level ,,, and i mean people like Acetrader ,,,
Your tireless input is of great value to all ,,,,,,
Cheers,
George

Howdy all family members ,,,,,
Would like to share with u all ,,, A STEP BY STEP BREAKDOWN of the amazing **TEXT BOOK EXAMPLE** of price action we experienced yesterday on the GJ ,, that i WAS feeding in as it was developing LIVE ,,,,
The quoted post above was post 138 yesterday LIVE market ,,,,,,

Some Impatient traders ask me questions before they spend enough time here ad just follow ME walking everyone through ,,,, and ALLOW ME TIME to SLOWLY and FULLY BREAKDOWN ,,,, STEP BY STEP as I FEEL when it is the right time and speed to show you EVERYTHING on MY PRICE ACTION TAKE ,,,,, that is besides the FULL explanations that will also be posted ,,,, BUT ,,, that is not a problem as i still love u guys 🥰🥰

What was i FOCUSING ON at that TIME ??????????
Please understand this ,,, the traders that sit with me on day to day base,, While we trade this market LIVE (not to mention the fun we enjoy) ,,,see my screen on Teamviewer ,, and i can assure u ,,, And i am sure they will also when they read this ,,,
That the GREEN BOXES ARE ALWAYS DRAWN BEFORE THE EVENT ,,, and ,, in this instance ,,,, That top GREEN BOX WAS DRAWN ALREADY before that BLUE BAR started going up ,,,,,

THAT WAS MY FOCUS ,,, and MY TARGET ,,,, BECAUSE ,,, the price behavior that WAS prepared at the High of the day ,,, PLUS the fact that the DAILY BAR at that stage ONLY had a 1.3 pip or so NECK on it is another filter i apply to MY PRICE ACTION analysis ,,,,

Please go to post 140 aNd look at the chart with the GREEN BOX at the TOPS ,,, AND ,,, i had 2 comments there ,,,
The top one said "" TARGET "" ????????
<https://www.forexfactory.com/attachm...1&d=1548836975>

That COMMENT was NOT noted for me ,,,,, That was the Question i had laid out in our conversation as to the place i WAS EXPECTING THEM to go to ,,,, AND ,,, i did say do NOT be surprised and do NOT EXPECT the low to be take out due to the following ,,,,
= The TIME the low was created ,,,, BUT ,,, most importantly ,,, WHERE was the price at THAT TIME (LONDON OPEN) in relation to what is below it ,,,, something that is of EXTREME IMPORTANCE IN MY THEORIES ! ! ! !
Hence why the "" WHY "" in the question HIGHLIGHTED in the BLUE BOX at the quote of post 138 on top ,,,,
= The BACK DROP PICTURE in the BACKGROUND ,,,, meaning ,, the LOWS BELOW the LONDON OPEN that i brought them to the attention of all of you ,,

<https://www.forexfactory.com/attachm...1&d=1548836114>

Hope this helps ,,,,,
heers,
George

What shall we cal this ??????????????????????

For ME ????????

A MUSIC SYMPHONY TO MY EYES ! ! ! ! !

We shall the pictures do the talking ! ! ! ! !

Cheers ,
George

IT IS NEITHER THE TEMPLATE ,,,, NOR THE TOOL ,,,,, THAT CREATES
SUCCESS ! ! ! ! !

It is the ,,,, ARTIST ,,,, THAT IS USING TOOLS ,,,, THAT CREATES THAT
SUCCESS ! ! ! !

= Maybe in MY WRITING here somewhere ,,it sounded like ,, LUCK ,, that got
me to where i am now,,,,,

= Maybe you think it was some INDICATOR that got me to where i am now

,,,,,

= Maybe you think it was SOMEONE's ELSE's TEMPLATE that got me to
where i am now ,,,,,

= Maybe it is a MAGICAL EA that i use in the background that got me to
where i am now,,,,,

= Maybe you think it was some COURSE that got me to where i am now

,,,,,,

OR MAYBE WAS IT ,,,,

= THE DEEP PASSION I HAVE FOR WANTING TO,,, MASTER ,,, THIS GAME ! !
! ! !

= THE DEDICATION I HAVE FOR THIS GAME ! ! ! ! !

Walter sir ,,,,,
Thank u for ur words and affirmations ,,,
U said one should NOT worry when they know they know ,,,,,
Well Walter ,,,,, You sure have the right to say that comment ,,,, as you're one of my
treasured friends ,,, whom i had the privilege to spend many hours with ,,, and sure know
EXACTLY what we are ALLLL about ! ! ! !
Thanks again sir ,,,
Cheers,
George

A very nice LIQUIDITY GAP in place for the GU ,,,,,
Will we see that get filled up today i wonder at the London session ????
32 pips on the table ,,,,, 110 pip daily range ,,,,
*** As much as it looks as hard to do on SOME HIGHER TF's (H1 AND H4) ,,, we have a
what i call CONFLICT of MOMENTUM reading between them ,,,,
Filling it up will ONLY mean a 70 pip total ,,,
VERY Doable ! ! ! !
Just a thought ! ! ! !
Cheers,
George

Heeey Troops ,,,,,
PLEASE NOTE ! ! ! ! ! ! !
The GJ IN ACTION ,,,,,
PSYCHOLOGY IN PLAY AT THE HIGHEST ORDER HERE ! ! ! ! !
We have been speaking about the LOWS which were visited ,,, ONLY 1 MORE TIME TODAY ,,,,
YET AGAIN ! ! ! !
Watch the MIND CORRUPTION that is in action right now ,,,,,
Watch the TOPS in the green box ,,,,, a validation is NOW ALSO ESTABLISHED THERE ,,,,
how many pips are on the table ????? ONLY 36 ,,,, ADR ???? 130 ,,, VERY TIGHT RANGE ! ! ! !
WILL DISCUSS LATERZ
Cheers,
George
P.S.
SORRY JUST REALIZED I FORGOT TO ATTACH THE CHART ! ! !

THIS CHART IS ONLY HERE FOR FUTURE SHARING INFORMATION TO FOLLOW ! ! ! !
 BUT ,,, Wanted you to see it LIVE now ,,,,,
 It is apart of MY PSYCHOLOGY i adopt in trading ,,,,,
 Which I WILL BE talking about in a VERY DETAILED MANNER ,, in the the continuation to the
 TARGET post ,,,,,
 PLEASE REMEMBER THIS POST wonderful people ! ! ! !
 It is what i call """" MY BOUNDLESS APPROACH """"

HOW ?????

Although we were keeping an eye on the LIQUIDITY GAP ,, which the chances of them filling it
 up is around the 95% ,,, something i have NOT changed my mind on YET ,,,,, BUT
 Why did they go up first we wonder ??????
 Well ,,, that will also be explained later ,,,,, BUT it is the PSYCHOLOGY part is what I AM
 TALKING ABOUT right now ,,,,,

With the right MIND SET ,, YOU WILL BE ABLE TO TAKE THE ACTION I TOOK ,,,,,
 WHAT DO I MEAN ??????????????????????????????

Please refer to the picture of the MASTER HIMSELF with the chart ,,,,,
 BUT ,,, here is the DOUBLE ENTRY BASKET ,,, Which had so far 50 PIPS on the table for the
 taking ! ! ! !

i AM NOT TELLING U I AM A HERO and a GENIUS ,,,,, i am MERELY trying to demonstrate to
 you the POWER of PROPER TRADING PSYCHOLOGY ,, CORRELATED WITH KNOWLEDGE AND
 EXPERIENCE ! ! !

HINDSIGHT BECOMES FORESIGHT WHEN YOU SEE IT OFTEN ENOUGH ! ! ! !

I am trying to get this posted very quickly ,,, and it may NOT be in the correct context ,,, so
 PLEASE forgive me

Cheers,
 George

BILLY BILLY BILLY ! ! ! !

I can ONLY sum up everything u have said in 1 sentence

I AM SIMPLY SPEECHLESS ! ! ! ! !

Your input into this Project will GREATLY and DEEPLY benefit everyone here that is struggling in this JUNGLE called trading ! ! ! !

Much appreciated ,,,

Cheers ,

George

Well well well ,,,,, The one and only Mr PHOENIX is in town 🤪

Nice to see u again Ray ,,,

I am glad up have brought up this point ,,,,

TERMINOLOGY „ IS not THE POWER „„„„

And for the same reason ,,,,,

KNOWLEDGE IS NOT THE POWER ! ! ! ! BECAUSE

IT IS THE APPLICATION OF KNOWLEDGE THAT IS POWER ! ! ! !

Cheers,

George

SURE WAS AN AMAZING PRICE ACTION THAT HAS BEEN IN THE MAKING FOR 6 DAYS ,,,,,

I hope you can start to understand why i am so passionate about this amazing game "" and

More importantly ,,,,

The level of respect i hold for them ,,,,,, because

THEY ARE TRUE ARTISTS in the way they FABRICATE THE MECHANICS OF IT ! ! ! !

Guys ,,,

IMAGINE the amount of money stacked up below the lows ??????

We are at the wrong side of the fence ,,,,,,

We should all become MARKET MAKERS ! ! ! !

Might be a little more profitable ?????????????????? 🤔🤔🤔
Cheers,
George

Hello Dave ,,,
Thank u for ur contribution ,,,
Great job ,,, and great effort ! ! ! !
That is what have asked each one to do ,,,
Take the information ,,, and start to TRY to apply on the charts ,,,,,

I AM NOT TRYING TO TEACH ANYONE HOW TO TRADE ,,,,,
I AM ONLY TRYING TO TEACH PEOPLE HOW TO DEVELOP THEMSELVES INTO TRADERS ,,
WITH WHAT EVER HELP I CAN OFFER ! ! ! !

Suggestion here IF i may ,,,,,
The TMA's should NOT be YOUR MAIN FOCUS ,,,
As i made it VERY CLEAR from the beginning ,,,,,, which was again ,,,
I DO NOT TRADE 1 MNT CHARTS ,,,
I DO NOT TRADE TMA'S ,,,
I AM A TARGET TRADER ,, which is based on the 15 mnt ,, 1 Hour ,, and 4 Hour charts ,,,

Hope this will help You Dave ,, and everyone reading ,, AS TO HOW TO APPROACH YOUR
LEARNING JOURNEY ,,,

Cheers,
George

Hello Bahaalden ,,,
Great questions ,,, and thank you ,,,,,

It is OBVIOUS that you are NOT reading prior posts as i have been posting on this level (THE
LOWS) for atleast 2 days ,,,,,
for me to answer ur question ,, it would take me few hours to TRY to explain it fully for u ,,,
So if i may suggest ,,,
Please ,,,, track backwards till u find the first one ,, then read how i kept explaining the
progress of the whole evolving action ,,,
Hope this helps ,,,

Everything I show in the form of LIVE market action ,,, WILL BE EXPLAINED IN FULL DETAIL
,,, STEP BY STEP ,,, DAY BY DAY ! ! ! !
In the meantime ,, just chill ,, relax ,,, set back and enjoy the ride ,,,,,

Cheers,
George

Hello there ,,,
Welcome aboard ,,,,,

<https://www.forexfactory.com/showthr...9#post11947939>

I just answered your questions 2 posts ago ,,,
Enjoy ,
Cheers,

Thank u sir ,,,
It was my pleasure ,,

BUT let me say this ,,,,,
You are IGNORING THE USE OF THE REAL SUN ,,,, and ,,,, TRYING TO USE AN ARTIFICIAL
FORM OF LIGHTING ,,, BY USING ANY OTHER APPROACH ,,,,,
BECAUSE ,,,,,
PRICE UNDERSTANDING IS THE KEY TO SUCCESS IN THIS GAME ! ! ! !

Cheers,
George

ABSOLUTELY CORRECT ! ! ! !

BUT ,, in saying that ,,,
I suggest that ,,,,
Do NOT be so harsh in ur DECISION ,,,, UNTIL you have MASTERED THE ART OF TMA
TRADING BASED ON PRICE ACTION ! ! ! !

Speaking from personal experience ,,,,,
Just food for thought ,,,
And IF u hold tight till we get to that style of trading ,,
I WILL BE LAYING OUT EXACTLY HOW YOU SHOULD BE APPLYING IT TO TRADING ,,,,

What happens in this house ,,,,
We run through a progression which has started from the beginning of the thread ,,,, step by
step ,,, for the sake of traders who are struggling ,,, and the new traders ,,,,,
NO SPOON feeding goes on here,,,,, and this like a workshop style of trading ,,, where traders
have to do the thinking and work ,,,,
With the guidance available ,,,,

IT IS NOT FOR LAZY PEOPLE ,,,, WHO WANT EVERYTHING DONE FOR THEM ! ! ! !

Hope that was of a help to you
Cheers,
George

Goooooooooooooooooooo Aussie morning to everyone ,,,,,,
A HUUUUUUUGE thank you to each and every one of you for ,,,,

YOUR KIND WORDS ,,,,,,
YOUR INPUT INTO THIS PROJECT ,,,,
YOUR CONTRIBUTION INTO IT ,,,,

I AM TYPING OUT A VERY IMPORTANT NOTICE TO ALL OF WONDERFUL FAMILY MEMBERS AS
WE SPEAK NOW ,,,,,,
FEW MNTS AND IT WILL BE UP ,,,,

PLEASE MAKE THE TIME TO READ IT ,,, AS IT WILL ANSWER MANY QUESTIONS IN YOUR
MINDS

Cheers,
George

IMPORTANT MESSAGE FOR ALL OUR FAMILY MEMBERS

=====

=====

PLEASE READ THIS WITH FOCUS ,,,, AS IT WILL HOLD MANY QUESTIONS THAT ARE GOING THROUGH YOUR MINDS

//////////

"""""" AGAIN """""" //////////////////////////////////

I WOULD LIKE REMIND YOU ALL IF ,, I MAY ,,, TO WHAT I SAID IN THE BEGINNING OF OUR PROJECT TOGETHER HERE AS A FAMILY ,,,,,,,,,

== I AM A FULL TIME INTRA DAY TRADER ,,, WHICH MEANS I AM ALREADY ACTIVE ENOUGH WITH TRADING ,,,, AND

== I DID NOT WANT TO BE ENSLAVED TO THIS PROJECT ,,,,

AND I WILL NOT BE REPLYING TO EVERY SINGLE POST ,,,, BECAUSE ,,,,

I DID NOT WANT TO BE UNDER ANY OBLIGATION TO READ LONG HISTORY OF POSTS ,,,,

ALTHOUGH I WILL UNCONDITIONALLY CONTINUE TO HELP EVERYONE ,,,,

== I WILL ANSWER IMPORTANT POSTS FOR THE BENEFIT OF ALL IF I SEE THEM ,,,,

== NOT TO BE UPSET IF I DO NOT REPLY ,,, AS IT COULD BE I MISSED YOUR POST ,,,,

== I WILL IGNORE SPITEFUL COMMENTS ,,,, I ASSURE YOU ,,,,, BECAUSE WE ARE HERE TO BUILD AND ,,, NOT TO DESTRICT !!!!!!!!!

=====

I WOULD ALSO LIKE TO ADD ,,,,,

== PLEASE ,,,,

DO NOT QUESTION MY STYLE OF TRADING ,,,,

JUST ACCEPT THE STYLE OF TRADER I AM ,,,,, JUST LIKE I ACCEPT AND MORE IMPORTANTLY ,,,, RESPECT EVERYTHING ABOUT YOU ! ! ! !

AS THIS IS THE MAIN REASON WHY I AM PUTTING IN ALL THE EFFORT ,,,,, IT IS ALL FOR THE BENEFIT OF EACH AND EVERYONE ! ! ! !

EXTREME LEVEL OF PRECISION ,,,, AS ,,,,
GUESSING IN OUR ENTRY DECISIONS IS NOT ACCEPTABLE IN OUR
STANDARDS ! ! ! ! !

=====

I WOULD LIKE TO STRONGLY SUGGEST THE FOLLOWING IF I MAY ,,,,,
WHICH WILL START TO PREPARE EACH AND EVERYONE OF YOU FOR WHAT
IS COMING FROM THIS POINT ON ,,,,,

PLEASE ,,, PLEASE ,,,,

== GO BACK ,,, TO APPROX THREAD NUMBER 138 ,,,,
== START READING EACH POST THAT HAVE CHARTS ATTACHED TO THEM
,,,,
== GO THROUGH EVERY SINGLE COMMENT ON THE CHARTS ,,,,, COLOUR
BOXES ,,,, MY WRITTEN
COMMENTS UNDER THE CHARTS ,,,,,

WHY AM I ASKING THAT OF YOU WONDERFUL PEOPLE
????????????????????????????????

IT IS BECAUSE ,,,,,

I KNOW WHAT IS REQUIRED ,,, WHICH IS SOMETHING I LIVED THROUGH ,,,
IN MY LONG AND WONDERFUL JOURNEY ,,,, BEFORE ALL OF YOU ! ! ! ! !
HENCE THE FOLLOWING ,,,,,,,,,,,,,,,,,,,,,,

PSYCHOLOGY IS AS IMPORTANT AS ,,,,,,
ALLLLLLLLL OF KNOWLEDGE I HAVE ACCUMULATED ONBOARD SO FAR IN MY
TRADING LIFE ,,,,,
I APPLY IT DEEPLY AND FULLY ,,,,,
THE POSTS I AM SUGGESTING TO YOU ,,, TO GO BACK AND READ ,,, ARE
,,,,, BASED ON 90% PSYCHOLOGY ,,,, AND 10% EVERYTHING ELSE ,,,,,
AND THAT IS WHY ,,,,, AND ,,, I PROMISE YOU ALL ,,,,,

YOU WILL LOVE THE STYLE OF PSYCHOLOGY THAT I APPLY TO TRADING ! ! !
!

=====

LASTLY AND NOT LEAST ,,,,,
AGAIN ,,,, I WOULD LIKE TO THANK ALL OF THE WONDERFUL PEOPLE FOR
ALL OF THEIR SUPPORT ,, KIND WORDS ,,,, THEIR APPRECIATION OF WHAT
WE ARE DOING HERE ! ! ! !

Cheers
George

Reading the reply from Robert ,,,
Whom i thank for the kind words ,,,,
I would like to correct the omission (forgetfulness) on this post ,,, as i meant to include a
name after the sentence on the 2nd line here ,,, quote : and in particular ,,,,
As i was NOT talking about myself ,,,
Cheers,
George

THE TARGET TRADING SYSTEM

=====

PART 2 ,,,,,,,,,,,,,,,,,,,,,,

=====

=====

HERE WE GO WONDERFUL PEOPLE ! ! ! ! ! ! ! ! ! !

In the opening post of the target trading system ,,,, I had 2 pictures there ,,,
and they were there for people to think about them ,,,, and they were also
there as part of the KNOWLEDGE i am sharing with you all ,,,
The MEANING behind the 2 pictures ,,, IS THE FOUNDATION OF THE
PSYCHOLOGY I PERSONALLY APPLY to my trading business ,,,

PERSONALLY ,,, I DO NOT LIKE PSYCHOLOGY ,,, AND ,, HAVE NEVER READ
ANY PSYCHOLOGY BOOKS IN MY LIFE ! ! ! !

(Yes ,, i KNOW that some will try to pull me apart making that statement ,,,
BUT ,, My advice to them right now ,,, I SUGGEST you do NOT bother
wasting your time ,,,, UNTIL , you have gone through this whole SUBJECT we
are progressively unrolling in ALL its parts ,, in its FULL and COMPLETE
CONTENTS for the benefit of all ,, besides you will be ignored anyway ! ! ! !
)

=====

=====

Some of you may ask ,,,,,

Why is George starting with PSYCHOLOGY ,,, when this is a trading system
??????

The Answer is ,,,,,,,,,

I NEED to have you ALL prepared in the CORRECT FRAME OF MIND ,,,,, and
In the SAME PSYCHOLOGICAL MIND SET I AM PERSONALLY APPLYING to the
MARKET ,,,, So we are ALL thinking at the same LEVEL ,, and ,,, with the
SAME VIEW ,,,, So you can all understand,,, the MENTALITY ,, and the STATE OF BEING ,,
i am in ,,, when i look at charts ,,,,
As it is said ,,, WE ALL NEED TO BE ON THE SAME WAVE LENGTH ! ! ! ! !

How important is this subject to "" MY "" trading ??????????
The answer is ,,,,,,

90% Of my trading is based on "" MY PSYCHOLOGY ""
10% is the APPLICATION OF KNOWLEDGE AND EXPERIENCE ! ! ! !

THE \$1 NOTE EXPLAINED ,,,,,

=====

Please ,,, LOOK at the one dollar note picture ,,,,,,

I now i ask you a few questions ,,,,,

== WHAT DOES THAT PICTURE MEAN TO "" YOU "" ??????????????????

== WHAT IS A ONE DOLLAR ??????????????????

== WHAT DOES YOUR MIND THINK WHEN "" YOU "" HEAR THE WORD A
DOLLAR ,,,OR SEE IT ?????

Now ,,, As i am sure you will ALL agree ,, Everyone will have different
answers ,, different views ,, different thinking in relation to the above
questions ! ! !

SO ,,,,

WHAT DOES "" GEORGE "" THINK AND SEE IN RELATION TO THE ABOVE
QUESTIONS ?????

My answer to that is this ,,,,,

"" A DOLLAR IS ,,, THE COLLECTIVE MONETARY VALUE OF 100 CENTS PUT
TOGETHER ""

Now ,,, this is the kind of thinking and mind set i have developed to this
AMAZING TRADING GAME ! ! !

=====

=====

Well wonderful people ,,,,

Please do NOT BRUSH ASIDE THIS EXTREMELY IMPORTANT POINT ,,,,,,

Think about it over and over ,,,,,

And i hope ,, that WILL TICKLE YOUR MIND NEXT TIME YOU LOOK AT A CHART ,,,, AND SAY TO YOURSELF ,,,, HOW CAN I LOOK AT THIS DIFFERENTLY ! ! ! ! !

IT IS ALL ABOUT MIND CONDITIONING ! ! ! !

=====

We shall leave it here for this # 2 post of the many to come on the TARGET TRADING SYSTEM ,,,,

Cheers,
George

P.S

I hope some of u old VETERANS out there like this particular picture i chose ! ! ! 🤔🤔
I hope it has brought back some of the YESTER YEARS memories hahahahahahah

Howdy Peeps ,,,,,

Its that time of the day again ,,,,,,

GJ ????????????

Waaaaaaw ,,, that must be a STRONG RESISTANCE LEVEL ,,, OR ,, is it maybe a SUPPLY zone
????

Hmmmmmmmmmmmmmmmmmmmmmmmmmm

=====

GU ????????????

Well ,,, NO explanation is necessary ,,, as it is SELF EXPLANATORY ,,,

Look at its TWIN Brother hahahahaha

Reminder ,, I am STILL WATCHING the TARGET from Post 177

<https://www.forexfactory.com/showthr...3#post11946493>

I HAVE NOT CHANGED MY VIEW ON THAT ! ! ! !

ALL this stuff will be explained in DETAIL IN DUE COURSE ! ! ! !

Cheers,

George

"""" MINDS """" ARE OPENING TO REALITYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYY ! ! ! ! !
GREAT WORK ! ! ! ! !

THAT IS THE RIGHT ENERGY WE ARE STARTING TO SEE WONDERFUL PEOPLE ! ! !

Cheers,
George

IS the GU working its way back to DADDY ??????????????????????

On the HOURLY ,,, Will we have a roll over on the MA 7 (green line) CONTINUE WORKING DOWN ,, (Will be explained at a later stage) ,, as the MOMENTUM FEEL is a DOWN PRESSURE ,,

The 4 Hourly is the same ,,,

The 4 Hourly is working its way BACK to the BIG DADDY ,,, the 200 MA

While the Hourly is almost there ,,,

THIS IS the PRICE FRACTAL NATURE RELATIONSHIP that i see all the time ,,, 1 time frame evolving into the next ,,,

A powerful experience when this action is happening LIVE on a 15 mnt/ 1 Hour relationship intra day level ,,, EXACTLY what was happening on the bounce up that we trade on the GJ at the London drop yesterday ,,,

Cheers
George

WAAAAAAAAAAAAAAAAAAAAAAAAAAAAW ! ! ! ! !

LOOK WHAT WAS HAPENING WHILE I WAS PREPARING THIS POST GUYS

on the GU ,,,

Here we MIGHT JUST SEE another HERD MENTALITY CONDITIONING peeps at this low now on the GU ,

remember ,,, they have already prepared the LOWS under the GREEN box on the hourly ! ! ! !

THINK GUYS ,, OPEN YOUR MINDS PLEASE ! ! ! !

Cheers,
George

THAT IS ABSOLUTELY AMAZING ! ! ! !

I now would SUGGEST you should lay out ALL of that powerful knowledge you have ,,,, and teach the poor struggling traders out there ,,,

I am NOT an indicator trader ,,,,, BECAUSE ,,,
I USE THE REAL SUN IN THIS GAME ,,,, PRICE ! ! ! ! !
Cheers,

MISSION ACCOMPLISHED PEOPLE ! ! ! !

HERE Before our wonderful family members ,,,, HISTORY IN THE MAKING UNFOLDING FROM THE SPIKE ON THE 30TH JAN POST 177 ,,,,

<https://www.forexfactory.com/showthr...3#post11946493>

Also i confirmed it today at the top of the day ,, that
I HAVE NOT CHANGED MY VIEWS ON THAT CALL ,,, On post 217
<https://www.forexfactory.com/showthr...6#post11952016>

AND here is the FINAL OUTCOME LIVE before OUR WHOLE FAMILY ! ! ! ! !

Why did the price go UP at the London Open ?????

My Favourite line again ,,,,

IT IS ALLLL ABOUT PSYCHOLOGY VALIDATIONS AND CONDITIONING ! ! ! !

COULD IT HAVE BEEN ,,, AN UP ,, DRIVE THROUGH PIP SHOPPING TRIP ,,, FOR DOWNTOWN

BUSINESS ????? HINT HINT HINT ,,,, 🤔🤔🤔

READING WITH THE MIND ,,, NOT THE EYES

I ask all of you to ask yourselves these questions ,,,,,

DO WE KNOW WHAT WE ARE DOING IN THIS HOUSE ??????????

ARE WE ACHIEVING WHAT WE HAVE LAID OUT FROM THE BEGINNING ?????

HAS IT BEEN CONSISTENTLY HAPPENING SWING AFTER SWING ,, DAY AFTER DAY ,,,, FOR THE PAST 4 DAYS ,,, SINCE I STARTED LAYING ON THE TABLE ,,, **LIVE """" RAW NAKED """" 100% PRICE ACTION BASED ANALYSIS ??????**

LUV YA ALL WITH THE LOVE OF THE LORD ! ! ! ! !

And thanks to each one of you for who you are ! ! ! ! !

Wonderful people ,,,,,,,,,,,,,,,,,,,,,,

YOU GUYS ARE LEAVING ME SIMPLY SPEECHLESS WITH YOU KIND AND WARMING WORDS !!
!!

i AM NO SPECIAL PERSON ,,,
I AM ONLY A GENUINE PERSON TRYING TO HELP ,,, UNCONDITIONALLY !!!!!

Cheers,
George 

THERE ARE 2 TYPES OF TRADERS IN THE TRADING ARENA !!!!!

THERE ARE """" TRADERS """"

AND ,,,

THERE ARE PEOPLE WHO HAVE ,,, """" MASTERED THE ART OF TRADING """"

WHICH ONE OF THE TWO ,,, ARE YOU WILLING TO BE
????????????????????????????????

Cheers,
George

WAAW !!!!!

How sad ,,, wonderful people !!!!!
What happened to dkrock posts ????

I want you all to know ,,, that was HIS OWN ACTION DELETING THEM !!!!!

I felt they added spice to what we are doing !!!

Cheers,
George

A very good morning to you Bahaalden
First and foremost ,,,

PLEASE ,,,
ALLOW ME ,,TO APOLOGIZE FOR NOT REPLYING TO YOUR MESSAGE ABOVE
EARLIER ! ! ! ! !

From myself ,,, and ,,, on behalf of ALL the ACTIVE and BELIEVERS ,, like yourself ,,,
Would like to extend to YOU the deepest of appreciation ,,, for the amazing
work you have done ,,,

The TIRELESS effort you have put in will be PRICELESS to many ! ! ! !

It is Quality people like yourself ,,, that truly add QUALITY to this project we
are all doing together ,,,

As i quoted before ,,,

WE COMPLETE ONE ANOTHER ,,, BECAUSE ,,,
WE NEED ONE ANOTHER ,,,, BECAUSE
WE LEAN ON ONE ANOTHER ! ! ! !

PLEASE ,,, KEEP UP THIS GREAT WORK ,,,,

Cheers,
George

P.S

Our wonderful members ,,,,
Please look at what was created for the benefit of everyone here ,,,,
Please look at the file that was attached ,,,,
TRUST ME ,,,,
ONE DAY ,,,,
YOU WILL THANK THIS WONDERFUL FAMILY MEMBER FOR WHAT HE HAS
DONE FOR EVERYONE HERE ! ! ! ! !

I am so glad you have FINALLY EXTENDED the COURTESY ,,, to come forward ,,,, and ,,, state
it VERY CLEARLY (like i do everything on this project))) ,,,,

NOW ,,
I can come forward and give YOU the PRIVILEGE of ,,,
FORMALLY answering you ,,,,

My suggestion is this ,,,,

Please ,,,,
SIT BACK ,,,, RELAX ,,,, and ENJOY THE RIDE ! ! ! ! Because ,,,
YOU WILL GET TO KNOW WHO GEORGE IS ! ! ! !

Allow me to FORMALLY welcome you onboard ! ! ! AND ,,,,,
IF ,,, you are a trader ,,,,,
YOU will Enjoy the ART OF TRADING ,,,, that will continue to be displayed before YOUR EYES !
! ! !

P.S

Please ,,,,
Can you overlook my """""" FLUFF """""" ,,, BECAUSE ,,, this is the way i speak in real life ,,,,
which is ONLY a REFLECTION ,,, of the PASSION and ENERGY ,, that is ALWAYS FLOWING
THROUGH ME ,,, which is obviously coming out in MY WRITING .

Cheers,
George

Much appreciated sir ,,,
It is my pleasure and duty ,,,
Cheers,
George

Mello Mr LIBRA ,,,,

Firstly ,,,, Your name signed would have been nice ,,,,

In reply to your REQUEST from me ,,, Please understand the following very clearly ,,,,,
I DO NOT OWN THIS THREAD ,,,,
THIS THREAD IS FOR THE PURPOSE OF HELPING OUT STRUGGLING TRADERS AND NEW
TRADERS FIND THEIR WAY IN TRADING ,,,,,

THERE IS NO FINANCIAL INTEREST IN THIS PROJECT ,,,,,, SO SIR ,,,,

IF you are here for FINANCIAL REASONS ,,,, which you have said in your FULL post ,,,,
Then ,,, This is what i would like to SUGGEST ,,,,,
PLEASE ,,,,
Start your own thread ,,, and
CLEARLY name it with a name that fits what you are trying to do ,,,,

I really believe that this is NOT the place for what you are trying to do ,,,,,

BUT ,,,,
Again ,,,
the FINAL DECISION is UP TO THE INDIVIDUALS ! ! ! !
If anyone is interested in what ever is offered by Mr LIBRA ,,,,
PLEASE ,,, private message him and do the DEAL there ,,,,
THIS THREAD IS WHAT THE NAME CLEARLY IMPLIES ,,, AAAND
EVERYTHING SHARE HERE IS DONE FOR """" FREE """"

IMPORTANT NOTICE

=====

=====

To ALL the members of this Family ,,,,,

SO FAR ,,,,,

Everything has been CENTRED on the GBP/JPY ,,,, AND GBP/USD ,,,,

WHY ???

ONLY because ,,, they happened to be the 2 pairs i track on a full time base
,,,,,

SO ,,,,

PLEASE ,,,

IF you do NOT track them or any of them ,,,,

PLEASE FEEL FREE ,,,,, to put forward the PAIR YOU track ,,, and i am MORE
THAN HAPPY to use it for examples of explanation about the subjects i am
sharing with you all ! ! ! !

BE ASSURED ,,,,,

THE INFORMATION I AM SHARING WITH YOU ALL HERE ,,,, IS NOT LIMITED
TO ANY PAIR ,,, AS IT APPLIES TO EVERY FINANCIAL MARKET OUT THERE ,,,
EXCEPT ,,,,,,

IT IS APPLIED WITH SMALL CHANGES TO THE THEME ! ! ! !

Looking forward to YOUR interaction here ,,,,

Cheers,

George

Firstly ,, welcome aboard ,,,,

Please feel at home sir ,,,,

Your name signed would have been a nice ,,,,

EVERYTHING THERE WILL BE ALLLLLLL EXPLAINED IN DETAIL IN DUE COURSE ! ! ! !

Cheers,

George

A very good day to u Jim ,,,
Thank u for ur question ,,, and it is a good question ,,,
MY reply in SUMMARY is ,,,
YES ,,, i do trade in a basket style ,,,
YES ,,, I do add more trades IF the market goes against me ,,,
To answer the rest of ur question ,,, is a subject that requires a long explanation ,,,
BECAUSE
It is all inter connected with my TMA pressure levels ,,, at my TMA pressure zone ,,, ,,, which
is also correlated to MY TARGETS on the higher Time Frame ,,,

Hope this helps sir ,,,

Cheers,
George

Hello OK

What you have drawn is NOT how I PERSONALLY understand PRICE ACTION ,,, and PRICE
STRUCTURE FORMATION ,,,
BUT ,,, you are putting in great effort ,,,
I can NOT go into details right now ,,, as the answer NEEDS to be FULLY detailed to be able to
explain it ,,,

As for the use of 1 pip stop ,,,
My suggestion is ,,,
It is very very tight ,,, and you could easily get hit 98% of the time with that approach ,,,

BUT ,,,
Sit tight ,,, Enjoy ur time here ,,, and you will see alot of chart analysis rolling in in due
course ,,, just like what has been done for the past 3 trading days ,,,
P.S
I HOPE you will like the NEXT POST i am putting on right now ,,,

Cheers,
George

11/11

THE MARKET IS RANDOM ,, and ,,, IT STROLLS IN THE PARK EVERY DAY LIKE WE DO ON A SUNDAY AFTERNOON !!!! 🧑🏻‍🎨🕶️
hmm

SO ,,,
PART A ,,, ESTABLISHING THE ZONE

== The market has come off the low on the 24 JAN ,,,,,

For the Benefit FIB FANS 😄 ,,,, (something i stopped using ,, because it is NOT consistent enough for MY expectations)

Hey Mr A ,,, NO COMMENTS about my FIB work here pls ,,,, Give me a break ,,, you know i am ONLY an apprentice at it 😓

SO ,,,

== A TOP CREATED (MARKED X) ,, MID high of the day ,, was created at the 127 INVERTED EXTENSION 28 JAN ,,,,, ,

Then market RETRACES to create the LOW of that day ,, (LOW A)
Which NOW with HINDSIGHT ,,,, we can see how the ,,, BOTTOM BASE ,,, is created for what i call
"""" THE HERD MENTALITY CONDITIONING ZONE """"

Then a run UP to create the TOP OF THE DAY (TOP A) ,,
WHICH IS THE ,, TOP ,, of "" THE HERD MENTALITY CONDITIONING ZONE ""

BUT ,,

On the way UP creating the MID LOW (MARKED B) ,,,, 2 LOWS ,, ,
WHICH IS ,, to be used IN RELATION TO (LOW A) for ,, THE SUPPORT MENTALITY VALIDATION ,,
LOW A IS ,,,, A VERY IMPORTANT PLACE ,,,, BECAUSE THAT IS THEIR TARGET ,,,,

SO ,,,,,
WHAT DO WE HAVE IN PLACE NOW ???????
WE HAVE ,,,, A COMPLETE ZONE BOTTOM A ,, AND ,, TOP A ,,,, WITH ,,,,,
THE (LOW B) LEVEL IN PLACE ,,, AS THE ,,,, HERD SUPPORT MENTALITY VALIDATION FOR LOW A (THE TARGET)

PART B ,,,,,

WORKING THE ZONE

THIS IS ,,,, where MAGIC begins to be created at the HIGHEST ORDER ,,, AND ,,,, IN STYLE !
!!!!

NEXT DAY 29 JAN ,,,,,

They create the FIRST RESISTANCE MENTALITY VALIDATION (TOP C) ,,, THE HIGH OF THE DAY ,,,, WITH A SMALL TRAP BREAK ,,,,
THEN ,,, DOWN TO THE LOW OF THE DAY (LOW D) ,,, FIRST CONFIRMATION ,,,, SUPPORT MENTALITY VALIDATION ,,,,

NEXT DAY 30 JAN ,,,,,

THEY CREATE THE 2ND RESISTANCE MENTALITY VALIDATION ,,, HIGH OF THE DAY (TOP C2) ,,
NOW PLEASE ,,,, WATCH CAREFULLY THE NEXT MOVE HERE ,,,,,, WHAT IS SO UNIQUE ABOUT THIS ????
THEY PUSH THE MARKET DOWN TO THE LOW OF THE DAY (LOW E) ,, TAKING OUT THE PREVIOUS DAYS LOW (LOW D) ,,

WHY ???

- 1 ,,, TO CLEAN OUT ALL THE STOPS UNDER THE LOW D ,,,,,
- 2 ,,, ENTICE SELLERS INTO THE MARKET FOR CONTINUATION RUN (LOWER LOW ????)
- 3 ,,, TRIGGER ALL THE BREAKOUT TRADERS ORDERS UNDER THAT LOW ,,,

A VERY SWIFT CLEANOUT ,,, 1 BAR ACTION ,,,,, Which is what I call ,,, DRIVE THROUGH DOWN TOWN PIP SHOPPING TRIP FOR UP TOWN BUSINESS 😊😊

STOPPING EXACTLY WHERE ????

AT THE ,,, HERD SUPPORT MENTALITY VALIDATION LEVEL (LOW B) ,,,,, HOW CONVENIENT ! ! ! !

WHAT HAPPENED NEXT ??????????????????

WHAT WILL HAPPEN NEXT ???????????????

WHY IS THIS BEHAVIOR CREATED ??????

THE ANSWER IS ,,, which is based TOTALLY on MY PERSONAL OPINION and THEORIES ,,,, is the following ,,,,
STOP TRAILING PURPOSES ! ! ! ! ! ! ,,, PLUS
LOADING ,, UNLOADING ,, ,,, BUT ,, i will be going into a full detailed explanation in a separate post at a later stage ,,,,

THIS IS EXACTLY HOW ,,,, PSYCHOLOGY IS APPLIED TO HAVE THE ,, UN INFORMED ,,, BUT more importantly ,,, THE ILL INFORMED TRADERS ,, (to do what i call) """" EATING OUT OF THEIR HANDS """"

I HOPE THAT ,,,,

NOW YOU CAN ALL UNDERSTAND WHY I PUT SO MUCH EMPHASIS ON TRADING PSYCHOLOGY ,,,

THE PSYCHOLOGY WE ALL NEED TO """" MASTER """" TO VIEW PRICE ACTION WITH ! ! ! ! !
WHICH IS ,,,,
MASTERING """""" THEIR PSYCHOLOGY """" ,,, AND NOT OUR OWN ! ! ! ! !

I WILL SAY THIS ,,,,

IT IS EXACTLY the way LIVE ANALYSIS was done over the past 3 TRADING DAYS ,,, on BOTH , the GJ and the GU ,,,, and the history is recorded on my previous posts ,,,, posts 177 ,, 217 ,,,, just to mention some ,,,,

YES ,,

Some WILL come here and say this and that ,,,, nothing new ,,,, and what ever else they will

DISH OUT ,,,,

BUT ,,,,

I SAY ,,

This is HOW I PERSONALLY VIEW THE MARKET ,,,, AND ,,

IF ,, you do NOT AGREE ,,,, I respect YOUR opinion (BUT ,, PLEASE keep it to YOURSELF 😊)

Attached are 2 charts ,,,,

The 15 mnt charts ,,, with the full breakdown analysis ,,,, AND
the chart for FIBS purposes ,,,,

PLEASE

GO through this detailed example ,,,, as it will answer a lot of questions for a lot of you
wonderful people ,,,,

DO NOT rush through it ,, as i know it holds information that YOU will be thankful for at a later
stage when you have developed further ,,

I STRONGLY encourage each and everyone of you , to go through your charts , what ever pair
you are trading ,, and look for this kind of price structure behavior as I KNOW IT IS THERE ,, !
!!!

Hope some will find VALUE in this detailed work i have done this Saturday afternoon for the
benefit of all ,,,

Cheers,

George

Mr A ,,,, i went back to look at that post by Mr DAVIT ,,,,,
It seems to have MYSTERIOUSLY vanished ,,,,
As you know ,, I NEVER DELETE anything ,,,, as i am 100% open to everything ,,
SO I CAN DEAL WITH IT IN THE PROPER MANNER ,,, AND ,,,, MORE IMPORTANTLY ,,, AT THE
RIGHT TIME ! ! ! !

,,,

BUT ,,, Let me say this for Mr DAVIT's sake ,,, and for the benefit of our family here ,,,
As i have NOT YET have spoken about WHY i make such CONTROVERSIAL comments ,,,,,
I DID SAY AT THE OPENING SENTENCE OF THIS PROJECT ,,, THAT ,,,, THIS WILL BE ONE OF
THE MOST CONTROVERSIAL THREADS ON FF ,,,

THAT STATEMENT WAS MADE BASED ON THE DEPTH OF KNOWLEDGE AND EXPERIENCE ,,,,
AND ,,,, WITH THE LACK OF PRESENCE OF ,,, ANY DOUBT IN MY MIND ,, ABOUT EVERYTHING
I SAY ,,
WHICH IS AN OUTCOME OF THE COUNTLESS THOUSANDS OF HOURS THAT ,,, WERE
INVESTED BY ME ,,,, IN ORDER ,,,, TO BE ABLE TO MAKE SUCH SOLID JUDGEMENTS ON THIS
BUSINESS CALLED TRADING ! ! ! !
BASED ON THE PREVIOUS STATEMENT ,,,,
OUR WONDERFUL FAMILY MEMBERS ,,, HAVE NOW STARTED TO HAVE BEFORE THEM ,,,, THE
JUSTIFICATIONS AS WE WALK THIS JOURNEY TOGETHER ,,,, AS TO ,,,, "WHY" WHY "WHY" I HAVE
THAT BASE OF JUDGEMENT ! ! ! !

THERE WILL BE A FULLY DETAILED AND DEDICATED POST ABOUT ,,, MY PERSONAL
PSYCHOLOGICAL VIEW ON ,,,,,
TRENDS ,,,
WHAT THEY TRULY ARE ,,,,,
HOW THEY ARE FORMED ,,,,

Cheers,
George

A very good day to you Steve ,,,,

I extend to you the ,, RESPECT ,, and APPRECIATION ,, for demonstrating what you have done
here ,,,,,

YOU ARE A TRUE GENTLEMAN ! ! ! !

And

YOU HAVE A TRUE SPORTSMAN'S SPIRIT ! ! ! !

PLEASE ALLOW ME TO FORMALLY WELCOME YOU ON BOARD ! ! ! !

NOW ,,,,
That we ARE speaking at the SAME level ,,,,,
We can ALL ,,, TRULY ,,, work together to COMPLETE this PROJECT and VISION ! ! ! !
BECAUSE ,,,,
Having quality people such as yourself ,,,, and ,,,
With the level of trading knowledge ,,, and ,,, years of experience ,,,
It can ONLY add ,,, to the level of QUALITY at which it will be delivered ! ! ! ! !

Cheers,
George

AND HARD WORKERS ,,,,,

=====

IF YOU ARE ONE OF THE FIRST GROUP ,,,

Please let me ASSURE YOU ,,,,,

THIS PLACE IS NOT FOR YOU ,,, do NOT waste YOUR time here ,,,,,

BUT ,,,,,

IF YOU ARE ONE OF THE 2ND GROUP ,,,,,

THEN ,,,

PLEASE ,,,,,, READ WHAT OZZIEDAVE JUST SAID

=====

Cheers,
George

Hello again ,,,,,,,

Ozziedave reminded everyone of what was quoted in previous writings ,,,

KNOWLEDGE IS NOT THE POWER ,,,,,

IT IS THE APPLICATION OF KNOWLEDGE ,,, THAT IS POWER ! ! ! !

I will also add this for some to think about ,,,

IT IS NOT THE TOOL ,,,,,

IT IS THE """""" MASTER """""" ,,, WHO IS USING THE TOOL ! ! ! !

Cheers,
George

P.S.

i was NOT implying myself ! ! !

[Quoting jakdan](#)

Just ask Google how to trade forex..... Answer: Buy the lows sell the Highs... simple as that really... do some work man and don't expect things on a plate... Thanks Ant

That would be nice ,,, would it NOT ????

Cheers,
George

Hello Steve ,,,,

Firstly ,,,

I have never said anything about US ,, the retail traders being the TARGET (LIQUIDITY for the market) ,,,,as i TOTALLY agree ,,,, Retail traders COLLECTIVELY make up a very small percentage of the market ,,,,

AND ,,,

When i talk about THE HERD MENTALITY (which i am assuming why u brought up the question about the RETAIL TRADERS) ,, i am NOT speaking from a LIQUIDITY aspect ,, BUT rather from a MANIPULATION aspect of fooling them ,,, AS CREAM ON THE CAKE ,,,

BUT ,,,

As for the Big institutions and the liquidity subject ,,,, it is something i do NOT wish to go into right now ,,, BECAUSE ,,,

It is a subject i would like to EXPLAIN MY VIEW on ,,,, in FULL detail for the benefit of all ,,, in due course .

In the meantime ,,,, i would like to bring your attention ,,,, to a very IMPORTANT point that you have stated as being the BASIS of your understanding ,, which was (quote : From my understanding Big Institutions are Selling into a Rising Market and Buying into a Falling Market so they get their Orders Filled at the Best Prices) ,,,

Now here is the the ONE THOUGHT / LINK , that I TRULY BELIEVE is MISSING in the way traders VIEW PRICE REALITY (as opposed to MY PERSONAL VIEW) ,,,, that makes everything i DO and BELIEVE IN ,,, CONTROVERSIAL to the MAJORITY of the TRADING community ,, And that is ,,,,

THE INSTITUTIONS BUY AND SELL INTO FALLING / RISING MARKETS ,,,, SO ,,,,

IF ,,,, this is the case ,,,,

WHO IS RISING THE MARKET ,,,,

WHO IS FALLING THE MARKET ,,,,

THAT ,, THEY ARE BUYING AND SELLING INTO ??????????????????????

Hope this helps to clarify MY THEORIES ,,,,

Cheers,
George
