Date	Time	Currency	Detail	Forecast	Previous	Remarks
Mon Nov 4	8:30am	AUD	Retail Sales m/m	0.40%	0.40%	This data and the rate statement should give direction to AUD going forward.
Tue Nov 5	2:30am	EUR	ECB President Lagarde Speaks			I think her first speech since assuming the office??? Will listen carefully to what she says as these might reveal her agenda for ECB going forward.
	11:30am	AUD	RBA Rate Statement			Market is not expecting a cut, after a cut last Oct 1. Note: Unemployment rate was down 0.1%, however CPI was also down 0.1% since the last cut.
			Cash Rate	0.75%	0.75%	
	9:30pm	CAD	Trade Balance		-1.0B	give boost to a weakening CAD dollar. #EURCAD.
11:00pm	USD	ISM Non-Manufacturing PMI	53.5	52.6	Should print green, expect some lift to USD after a dismal Man. PMI last week. Look out for GBP rate later in the week for GBPUSD/EURUSD opportunities.	
Wed Nov 6	5:45am	NZD	Employment Change q/q	0.20%	0.80%	Both red number projected. Should really print red, expect reverse in gains in NZD pairs. Look out for NZDCAD in particular.
			Unemployment Rate	4.10%	3.90%	
Thu Nov 7	6:00pm	EUR	EU Economic Forecasts			Not expecting to have much optimism for EU. They are very close to a recession amid the series of "not so good" economic indicators. EURUSD.
	8:00pm	GBP	BOE Inflation Report			Despite no forecasted change, this might bring some movements to GBP pairs. Watch out for GBPCAD & GBPUSD opportunities. Note: Brexit is still the big mover for GBP.
			MPC Official Bank Rate Votes	0-0-9	0-0-9	
			Monetary Policy Summary			
8:30pm		Official Bank Rate	0.75%	0.75%		
			BOE Gov Carney Speaks			
Fri Nov 8	8:30am	AUD	RBA Monetary Policy Statement			Earlier events may have dictated the fate of AUD in the short term. This will add confirmation to that.
	9:30pm		Employment Change		53.7K	These data are significant to gauge the short and medium term direction for CAD, after a dovish tone by BOC. May make or break CAD \$ as employment is one of the leading factor for rate adjustments. GBPCAD / EURCAD / NZDCAD
CAD		Unemployment Rate		5.50%
